HOT-ICU newsletter – November 2020

Dear friends and colleagues

Status

The last patient in the HOT-ICU trial was randomised the 3rd of August, and we have now passed 90-day follow-up for the entire cohort. We are currently working hard to validate the database and will soon analyse the results from the trial. Naturally we are very excited! The results are planned to be presented at the virtual [Critical Care Reviews](#) 20th -22nd of January 2021. It is free of charge to participate in the conference. As the deadline is imminent, we encourage all sites to reply as soon as possible to any data queries emailed to you.

Case money

In order to finalise the budget for the HOT-ICU trial all sites with pending payment for 1-year follow-up (50 euros) by March 2021, will have the sum added to their case money payment at this time, even though final 1-year follow-up is conducted by August 2021.

HOT-ICU hotline

If you have any questions, do not hesitate to send an e-mail to hot-icu@cric.nu or to contact the HOT-ICU hotline (+45 2118 2543). Please **leave a message and your phone number if the call is not answered** and we will call you back as soon as possible.

Please archive this newsletter in your site master file.

Kindest regards,
Thomas, Olav and Bodil
