**HOT-COVID newsletter – June 2021**

Dear friends and colleagues

We hope you are all doing well, and you are enjoying the summer.

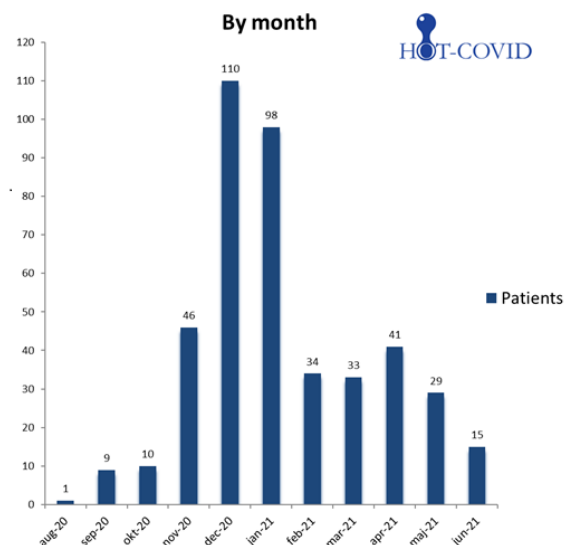

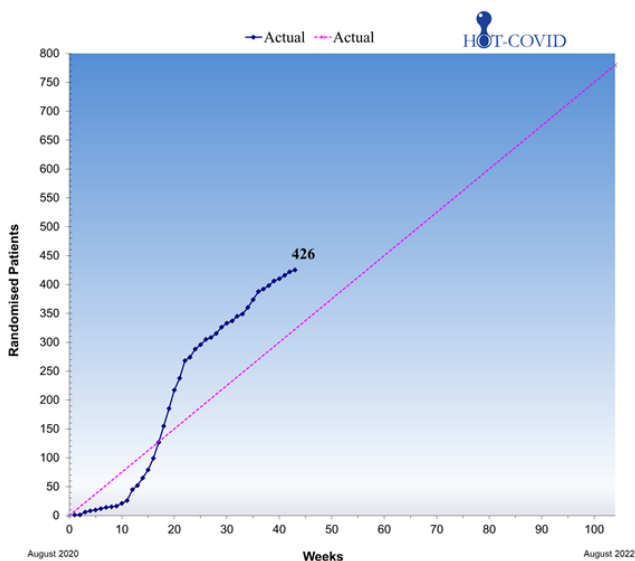

### Status

In order to be able to conduct the interim analysis, **we kindly remind you to enter all data on patients randomised before the 3<sup>rd</sup> of May 2021 into the eCRF before the deadline of the 3<sup>rd</sup> of August 2021.**

### Recruitment

Currently 426 patients have been enrolled.

Mirroring the roll-out of vaccinations and the change in weather, the recruitment rate has dropped across all sites. The future of the pandemic is still uncertain, and we would like to encourage all sites to keep up their fantastic effort in screening all relevant patients for inclusion.
