

Specification Hanse370E

Suzie Blue is a Hanse 370e from 2006 with a blue hull. She was bought as an ex-demo boat by her first owner who cruised her lightly on the west coast of Scotland (c. 1400 on the log at time of sale in 2013 to present owner). The present owner purchased her and upgraded many of her systems (new bow sprite with boarding steps, engine overhaul, new sprayhood, new cockpit tent, new aft anchor, asymmetric spinnaker added, Lazy jacks replaced) before sailing her over to Norrtälje in Sweden in 2014. Since then she has cruised extensively in the Baltic and off the west coast of Scandinavia (Log now stands at 5335nm). She has been maintained to always be in sea ready condition.

Engine hours are between 750 and 800.

Other system upgrades that have been performed in the present ownership include:

- Spinnaker halyard replaced (2014).
- Service batteries replaced with larger capacity AGM upgrades (2014).
- Nearly all turning blocks replaced (2016).
- Mainsheet replaced (2016).
- Mainsail outhaul replaced (2016).
- Mainsail vang replaced (2016)
- New, larger capacity, hot water tank (2016).
- 2:1 Mainsail halyard added (2017).
- Mainsail valeted and full length battens replaced (2017).
- New gas sensor (2018).
- New 150 Raystar GPS sensor (2018).

Her equipment includes:

Navigation equipment:

- Raymarine ST70 Log, Depth and wind instruments with three displays in the cockpit at the helm.
- Raymarine E80 chartplotter at helm.
- Raymarine radar integrated with E80 chartplotter.
- Simrad chartplotter at nav table.
- Simrad autopilot with panel at the helm.
- VHF GMDSS radio at nav table.

Sailing equipment:

Self-tacking roller reefing jib.

Slab-reefing main with two single line reefs, third standard reef, lazy jacks and bag (2:1 halyard).

Asymmetric spinnaker launched from a snuffler.

29hp Yanmar diesel, s-drive, two bladed folding propeller.

Anchor:

Delta anchor with 60m of chain at bow with electric windlass.

Fortress anchor with leaded rode at stern.

Tankage:

Fuel 150l

Water 300l

Septic tank 30l
