

ROLE OUTLINE

Job Level: Project Landscape Architect

Employment Type: Full-time / Part-Time considered

Location: Wickham, Hampshire

Salary: £27 - £33K per annum

About Us

Deacon Design's holistic approach helps to create landscapes that are based on sound environment science and more importantly, are understood and cherished by the people who live, work, and play in them. We provide a full landscape design service from concept sketch, right through to site implementation and aftercare management.

Our continued success is born from our personal approach and passion for creating design solutions that bring 'Landscape to Life' and help reconnect people with the environment.

Deacon Design recently turned five and we are now looking to drive our ambitions for the next five years and beyond.

The Role

Develop new ideas alongside fellow design team members and consultants from concept to completion.

Ability to self-manage / interrogate designs / provide support to junior member of staff.

Liaise with clients and fellow design consultants to ensure a collaborative approach.

Work closely with fellow team members to produce client presentation material and drawing packages using a range of Adobe / AutoCAD software.

Ability to carry out site visits alone to gather site analysis findings and field data to informing supporting landscape and visual assessment work.

ROLE OUTLINE

Skills & Experience	Fully trained in Landscape Architecture or complementary qualification. A proven knowledge of Adobe CC / AutoCAD / Keyscape software. Ability to express design ideas as part of the wider team response. Good written and verbal communication skills.
Desirable Skills & Experience	Experience of navigating the UK planning system. Horticultural / planting knowledge. LVIA expertise.
Benefits	High quality IT and furniture setup to support home and office (hybrid) working. Flexible working environment to fit with modern living (work/life balance). Generous annual leave policy. Company pension scheme. Profit related bonus scheme. Support towards further career progression including P2C (Chartership) support. Regular team social / CPD days. A beautiful riverside location, perfect to dust off lockdown cobwebs!

To apply, please send your CV, along with a supporting portfolio to our **Practice Manager Donna Spencer** - donna@deacondesign.co.uk or for an informal chat please call us on 01329 557 820.

Polite note: candidates must be eligible to work with us. Visit deacondesign.co.uk for more information.
