

# menu

The place where fairy tales, imagination, great food and service meet.

First-class and local produce prepared and served with care in a charming, modern and casual restaurant/café setting. We located are in the heart of the magical and majestic H.C. Andersen Garden, and work in collaboration with the world-renowned Hans Christian Andersen's House.

Our name "deilig" is an offspring of the Danish word "dejlig", which translates into lovely or delightful.
