

Ghent, venue for WCDH 2020

Belgium is at the heart of Europe, tucked away between The Netherlands, Germany, Luxemburg and France. It is a vibrant region and an economic hub in the middle of one of the world's highest concentrations of people and industries. Innovation is deeply embedded in Belgium. The region takes a leading position in numerous key industries and has strategic research centres, renowned universities, state of the art infrastructure, the latest technology and a highly skilled workforce.

Belgium offers an innovative ecosystem of top-class universities, academic hospitals, research centres and (bio)incubators. The region has a dense network of pharmaceutical, biotech and other major industry players.

From Bruges to Brussels, Antwerp, Ghent, Leuven, and everywhere in between, the towns in Belgium are known for their beauty, charm and ambiance.
