The ring will start at 09:00 am.

All dogs will be judged in the same ring - smoothcoats first, then a lunch break & then longcoats.

No puppies under the age of 4 months are allowed on the show premises.

**Show location:**

Studiefrämjandets Hundhall  
Industrivägen 7, 961 68 BODEN

## ● DOG WALKS → OUTSIDE! ●

WE KINDLY BUT FIRMLY ASK YOU ALL... Please, everyone needs to take responsibility & the Chihuahua people need to show BIG improvements from last year's winter speciality show. Make sure that no "accidents" happen indoors.

Should a real accident happen - clean up immediately! Cleaning supplies are available.

.. Otherwise we will NOT be allowed to rent this showground for future shows.

No showground = No show! :(

→ Walk your dogs outside several times during the day.

→ Keep your dogs under supervision AT ALL TIMES.

→ During breaks & chats - keep the dogs in your arms/away from grass & ring supplies!

→ NO unattended dogs on the grass / in the ring!!!

**NOTE! "Accident" fee for violation of the above: 300 SEK.**

We will roll out plastic covers on selected areas outside the ring, to protect the mat where all exhibitors sit down with your things. We will also take a break between the smooths and longcoats, to simplify the opportunities for all exhibitors to get out to walk their dogs.

*This may seem unnecessarily strict & obvious., but the fact is that this was clearly noted during last year's show. The feedback we as organizers received from Studieförbundet was very disappointing. If there is no clear improvement & action from our side, we will not be allowed to rent the showground again.*
