

GENERIC / CATERING RIDER

ROUTE/PARKING:

Willingly we want to receive an accurate route-description to the venue. This is in case the band doesn't have a navigation-system available. The organisation must take care of some parking spots in the direct neighbourhood of the location and the hotel if applicable. The band arrives in most cases with a small van. When a parking garage will be used, please supply the height of the garage. Possible costs for parking-supplies are on the account of the contractor.

FLIGHTS AND LOCAL TRANSPORT:

In case the band is travelling by air, the local transport must be provided by - and are on the account of - the contractor. The travel party counts 3 people (or more confirmed by email). Please be aware that the band is travelling with luggage (3 hand luggage plus 3 suitcases) so the cars/van need to have enough space in the back for this.

TECHNICS:

The PA should be ready for sound-check (according to the technical rider of the band) when the band arrives at the venue.

ON ARRIVAL:

Some fresh sandwiches, coffee, tea, beer, soda.

Please note that some of the group members are allergic to WALNUTS and PEANUTS.

MERCHANDISE:

Contractor supplies a suitable, dry and free space (by preference in the house) for selling merchandise. There should be a spot available inside the venue. At This spot we require: table, 2 chairs and 1 X 230V lamp ore sufficient lighting. Selling merchandise is without restrictions and/or indemnity to the contractor.

Contractor supplies one person to sell the merchandise stand before and during the show. There is a fee available for this person or a percentage on the sale. Please connect with dopedodenterprise@gmail.com for the details.

WARDROBES/DRESSINGROOMS:

Contractor supplies at least 1 clean, heated and closable wardrobe with fridge, shower and toilet, mirrors, power connection (5 power sockets - 230V, 16A) and enough seats for 6 persons. This room is available from the moment the crew arrives till the moment of departure. This wardrobe will not be shared with other acts and is only available for the band and its crew. The key must be given to the tour-manager at arrival. This person will return the key by departure of the band.

(DE)CONSTRUCTION:

The stage entrance must be accessible by a harden road. The road-crew needs entrance to the stage at least 1 hour before show-time. Contractor is responsible for delay and/or damage regarding this situation.

CONSUMPTIONS / MEALS:

The band has the right to ask for a dinner buy-out if needed, 25 euros per member of the crew.

Please note that some of the group members are allergic to WALNUTS and PEANUTS.

ON STAGE

Dope D.O.D. also needs 12 bottles of 0,5 L spring water (without gas) on stage. Next to that they need 3 clean big towels.

SMOKING:

A smoking area which is not accessible for the audience is required.

BACK STAGE TOILET:

A toilet which is not accessible for the audience is required.

Dope DOD will serve drinks (whiskey/wodka) to the audience during the show

For this, the group needs:

- 1 bottle of Whiskey
- 50 plastic cups
- 3 bottles of cheap Champagne or Prosecco

None of these drinks need to be expensive it is just for crowd participation and they won't taste the difference

VIDEO-/SOUNDRECORDINGS:

It is permitted to make photo-, video- and/or sound recordings by contractor and/or others if the band can use those recordings/photos for promotional usage. The material should be sent to dopedod@gmail.com.

The band and its management have the right to have the content removed from any media if they think it is not good enough, no discussions needed.

HOTEL:

In case the band is staying in a hotel after the concert, 3 single rooms are required with breakfast included. In case the band is travelling with a light-engineer or merchandise person there are 4 single rooms needed with breakfast included. Privacy is important for the band.

EXTRA:

Jay Reaper usually wears a shirt from a national soccer team during the show in the size XL. If it is possible, please provide one, it helps the performance.

AFTER THE SHOW:

When it concerns a show after 21.00 hrs the group appreciates a late-night snack like 3 pizzas and 3 burgers. Please make sure the delivery of these goods are 15 minutes after the show in case the band leaves early. Thanks in advance
