

## Appendix A: Self-assessment form

This self-assessment form should be completed by the complaints officer and it must be reviewed and approved by the landlord's governing body at least annually.

Once approved, landlords must publish the self-assessment as part of the annual complaints performance and service improvement report on their website. The governing body's response to the report must be published alongside this.

Landlords are required to complete the self-assessment in full and support all statements with evidence, with additional commentary as necessary.

We recognise that there may be a small number of circumstances where landlords are unable to meet the requirements, for example, if they do not have a website. In these circumstances, we expect landlords to deliver the intentions of the Code in an alternative way, for example by publishing information in a public area so that it is easily accessible.

### Section 5: The Complaint Handling Process

Code provision	Code requirement	Comply: Yes / No	Evidence	Commentary / explanation
5.1	Landlords must have a single policy in place for dealing with complaints covered by this Code. Residents must not be treated differently if they complain.	Yes	The Complaint's Policy	Our Complaint Policy covers each aspect of the complaint handling code. We do not treat our customers different because they complain. This can be shown by the volume of complaints we receive which would indicate customers feel they are able

				to complain without consequence
5.2	The early and local resolution of issues between landlords and residents is key to effective complaint handling. It is not appropriate to have extra named stages (such as 'stage 0' or 'informal complaint') as this causes unnecessary confusion.	Yes	<ul style="list-style-type: none"> <li>• The Complaints Policy</li> <li>• Internet Post</li> </ul>	We educate all employees at their staff induction on when to offer to log a complaint after signs of dissatisfaction are shown. We do not have any extra complaint') as this causes unnecessary confusion. stages; only stage one and stage two as per our Complaint Policy.
5.3	A process with more than two stages is not acceptable under any circumstances as this will make the complaint process unduly long and delay access to the Ombudsman.	Yes	<ul style="list-style-type: none"> <li>• The Complaints Policy</li> </ul>	We only have two complaint stages.
5.4	Where a landlord's complaint response is handled by a third party (e.g. a contractor or independent adjudicator) at any stage, it must form part of the two stage complaints process set out in this Code. Residents must not be expected to go through two complaints processes. 5.6	When a complaint is logged at Stage 1 or escalated to Stage 2, landlords must set out their understanding of the complaint and the outcomes the resident is seeking. The Code will refer to this as “the complaint definition”. If any aspect of the complaint is unclear, the resident must be asked for clarification.	Yes	<ul style="list-style-type: none"> <li>• In our acknowledgement template</li> <li>• Complaints Policy 6.8</li> </ul>	We explain our understanding of each complaint in the acknowledgement stage. We also add what their desired outcome is, or if it has not been provided, we ask our customers to let us know what they are seeking as a resolution.
5.7	When a complaint is acknowledged at either stage, landlords must be clear which aspects of the complaint they are, and are not, responsible for and clarify any areas where this is not clear.	Yes	<ul style="list-style-type: none"> <li>• Acknowledgement template</li> </ul>	We let our customers know if something they have complained about, is not something we are responsible for. In some cases, this would be an exclusion as it does not meet our complaint definition where it is not about our service. If this relates to only a section of their complaint, we will let them know why we will not be investigating that element.
5.8	At each stage of the complaints process, complaint handlers must: <ul style="list-style-type: none"> <li>a. deal with complaints on their merits, act independently, and have an open mind;</li> <li>b. give the resident a fair chance to set out their position;</li> </ul>	Yes	<ul style="list-style-type: none"> <li>• Complaints Policy</li> <li>• Complaint handler training</li> </ul>	We have trained all of our complaint handling staff to investigate fairly and impartially, considering all evidence provided. 5.9	Where a response to a complaint will fall outside the timescales set out in this Code, the landlord must agree with the resident suitable intervals for keeping them informed about their complaint.	Yes	<ul style="list-style-type: none"> <li>Stated on the Complaints Policy</li> </ul>	We contact all customers if we are unable to respond within the extension timescales. We ask the customer if they would like to agree and alternative date or escalate the complaint.

Our Individual Needs policy is in development. The policy sets out how customers inform us of their needs, how we record them and what service adjustments they require. The policy will be supported by an Individual Needs process support plan (current support plan will be updated) which will detail

				how we will adjust our services to meet the needs
5.11	Landlords must not refuse to escalate a complaint through all stages of the complaints procedure unless it has valid reasons to do so. Landlords must clearly set out these reasons, and they must comply with the provisions set out in section 2 of this Code.	Yes	Stated on the Complaints Policy	We will not refuse a complaint unless an exclusion applies as mentioned on the policy
5.12	A full record must be kept of the complaint, and the outcomes at each stage. Yes	Complaints email	All complaints are kept in a file, Our complaints handlers are trained to complete this

Landlords must ensure appropriate remedies can be provided at any stage of the complaints process without the need for escalation.	Yes	Stated on the Complaints Policy	We have complaint handlers that have the authority to make decisions on remedies within their service area. Yes	Stated on the Complaints Policy	<p>This is detailed in our complaint policy and is considered on a case -by - case basis, taking into account when the additional point was raised, the investigation required into the additional point, who is able to address the additional point and whether another complaint handler is best placed.</p> <p>We will always try to add to an existing complaint unless it would delay the response going out after considering the above points.</p>
