Build a Future of LGBT+ inclusion in your school TODAY!

Calling all nurseries, primary & secondary schools, academies, trusts, colleges and universities in the borough of

EALING

Seize the opportunity to join our
PIONEERING PRIDE IN INCLUSION AWARD

sponsored by
JOHN LYON'S CHARITY

Join 1000's of schools on their journey to LGBT+ inclusion through our pioneering
PRIDE in Inclusion Award Programme

The perfect programme to achieve all your Diversity & Inclusion objectives

Described as 'innovative and visionary' in 2016 by Ofsted, the celebrated programme developed in 2010 by our CEO, has guided 1000's of nurseries, primary schools, secondary schools, colleges nationally and internationally to successfully embed gender, gender identity and sexual orientation into the fabric of their organisation

Want to know where to start?

Need support with quick wins and long term sustainable change?

Want to empower and give confidence to your staff body?

Our highly skilled and experienced E&C facilitators will support you through the change process.

All our trainers have led the Award Programme in their own schools and have coached numerous teachers, leadership teams and governors through the Award Programme.

They will share their extensive knowledge and strategies with you and are always on hand to support and reassure.

Over the 12-month programme you receive:

Phone, Email and Online support

Monthly one-to-one coaching & mentoring sessions with your lead teachers

Data collected from staff and pupils throughout to inform interventions

Bespoke training for Governors and Leadership Teams

Online training for teaching and support staff

A PRIDE Book collection for your library and classrooms

Free access to premium resources in our MEMBERS ONLY AREA

The facilitation of a PRIDE Youth Network with mentoring for your lead teacher and networking opportunities for pupils

An Action Plan and targets in the five core areas of Training, Policy, Curriculum, Environment and Community to achieve your Bronze, Silver or Gold Award

Participation in our activities, events and competitions

Participation in our Annual Conference

Data from initial staff meetings in 2019-20 showed a:

- 36% increase in confidence to be LGBT+ inclusive in lessons
- 80% increase in confidence talking to parents
- 30% increase in confidence talking to students
