ART FOR LIFE

Since 1996, Vetri has showcased the work of extraordinary artists and designers working in glass. In addition, we now proudly represent the work of ceramic artists, jewelry designers, and independent artists working in all media.

Visit our gallery to find beautifully designed, thoughtfully curated, handmade objects by emerging makers and established artists from the Northwest and beyond.

Vetri is located one block south of the historic Pike Place Market in Seattle, Washington, and online worldwide at [vetriglass.com](http://vetriglass.com)
