## INSTRUCTIONS

### Three minute test:

- 1: Read everything before you do anything.
- 2: Write your name on the upper right corner of this test.
- 3: In the above sentence (2) circle the third word, "name".
- 4: Underneath your name in the top right corner draw 4 small circles.
- 5: Put an "X" in each of the 4 circles you just drew.
- 6: Underline the headline "instructions"
- 7: Make an exclamation mark after the headline "instructions"
- 8: Underline sentences number 3 and 4.
- 9: Tear off a small piece of the lower left corner of this page.
- 10: Make a triangle around the headline "instructions"
- 11: On the back of this page, do the calculation  $13 \times 17$ .
- 12: Tap your table or thigh 3 times.
- 13: Say your name out loud.
- 14: Draw a triangle around the orange square in the lower right corner.
- 15: Say out loud, "These instructions are easy!"
- 16: Turn this paper around and add up  $198 + 287$
- 17: Punch three small holes anywhere in this paper using your pen.
- 18: Count out loud, normal speaking voice, from one to ten.
- 19: If you think you followed these directions properly, say out loud: "I did it!"
- 20: Now that you are finished reading, just do sentence one and two, ignore the rest.
