A man is shown from the back, wearing a dark blue bucket hat and a short-sleeved shirt with a vibrant, multi-colored pattern featuring palm trees, fish, and other tropical motifs. He is looking at a wall with a mottled, greyish-blue texture. The text 'Enter Virtual Fair Powered by Artland' is overlaid in the upper left in a large, white, sans-serif font.

ARTLAND

Artland x Enter Art Fair

Enter Art Fair and Artland have joined forces to proudly present the digital version of The Enter Art Fair - Enter Virtual Fair. Enter Virtual Fair will exist for 365 days a year, 24/7, and will use 3D technology to help elevate your gallery's presence.

Enter Virtual Fair will showcase 3D recordings of current gallery exhibitions from exhibitors that will be presenting at the physical art fair.

The following slides will provide an in depth look about this exciting opportunity to use 3D technology to grow your galleries audience and reach collectors from around the world.

The Virtual Fair

Enter Virtual Fair powered by Artland will present 3D recordings and tours of current gallery exhibitions from the exhibitors who are participating at the physical fair. The virtual art fair will be hosted on www.enterartfair.com where all 3D recordings and tours will be available. In addition to this 3D recordings will also be shared in Enter Art Fair's Newsletter and on their various social media platforms. With the participating exhibitors, a yearly 3D archive will be created and can be accessed online 365 days a year.

POWERED BY
ARTLAND

Recalcitrant Radiance, 13 Dec 2019 – 29 Feb 2020

Daniel Boyd

Recalcitrant Radiance, a solo exhibition of the Australian artist Daniel Boyd at the gallery's Busan space on view from December 13, 2019, to February 29, 2020. The exhibition marks the artist's first solo presentation in Korea. Over the years, Boyd has questioned and challenged the preexisting romanticist notions behind the colonial history of Australia, seeking to restore the perspectives often overlooked in hegemonic historical discourse.
