

ENTER Curated Choice

April 2022

‘Curated choice’ is an online commercial group show facilitated by Enter Art Fair. ENTER invites handpicked curators or art personalities to propose a theme under which they will curate a selection of works of any media from the participating ENTER galleries.

Every new edition of ‘Curated Choice’ will bring a new theme, a new curator and new works – and will run continuously in our newsletter and on our social media platforms throughout the year in between the fairs every August.

All the works are carefully selected by the curator and are all available for sale. You can find prices and detailed information about the works below in the link. Don’t hold back. Ask questions and connect directly with the gallery for any inquiries.

Curator: Uffe Buchard

Theme: Escapism

When the world emerges from its most horrible and inhuman side and one finds it difficult to navigate the meaning of it all, then a special space for art arises in all its guises, inviting the viewer to enter a completely different world than the real one.

Call it otherworldly, romantic, or even call it decidedly fear of reality, the aim is the same - to flee from reality. Through art. I think we need it. A complex underworld consisting of myriads of directions within the diversity of the subconscious and the imagination is the goal. A world that can at times border on the strange nature of surrealism and that provides temporary relief or simply makes us think completely differently. A world that manages to replace the ugly nightmare images of reality with the substance that dreams are made of. A temporary spiritual escape from the indisputably real does not necessarily mean a conscious will to ignore the world's great real problems but should rather be seen as a welcoming - and necessary - a mental break from the chaos and apocalyptic states. A mental refuge in beauty or just something so absurd that, after all, it can never belong to reality. It is positive escapism.

All images are courtesy of each gallery and each artist.

About the curator: Uffe Buchard

Uffe Buchard is the creative director of Darling Creative Studio, which solves a variety of visually oriented tasks and curating in design, interior, fashion, and art.

For the past 20 years, he has published the international avant-garde fashion magazine DANSK Magazine, which often uses different art periods as inspiration for advanced and experimental fashion photography.

In 2008, Uffe Buchard founded DANSK Fashion Awards - the country's first fashion award and in 2013 DANSK Design Talent, a competition for Danish design talents. Uffe Buchard has appeared in several TV formats as a critic, judge, and fashion communicator. He has previously been a fashion editor for Eurowoman and fashion critic for the newspapers Jyllands-Posten and Politiken and has for the past many years reported on international fashion for Elle. In addition, he has curated several exhibitions on fashion photography. Uffe Buchard has published the book BLOMST and most recently the coffee table book 20 Years of DANSK Magazine.

In October 2020, he opened The Darling in the heart of Copenhagen together with Jens Løkke - a design guest house dedicated to Danish heritage design and Danish contemporary art. At The Darling, monthly exhibitions are curated with Danish art, which is also sold from there.
