

We work according to the guidelines of the RIVM.

WHAT KIND OF ADJUSTEMENTS ARE MADE?

The location is been adapted according to the 1.5 meter distance rule: fewer chairs, no more sofa & TV, more room to move.

We have bought 4 transparant Plexiglass screens in case the 1,5 meter distance is a little difficult. Of course we also have desinfectant hand gel, disposable towels etc.

Toilet renovation : tap and flush button can be used with the elbow.

WHAT CAN WE EXPECT BEFORE BOOKING?

Just like in the hospitality industry, we ask each participant before the meeting whether he or she has any symptoms as indicated as a risk for the Covid-19 virus. These persons will then stay at home.

We also ask name and e-mailaddress of each participant (which we delete after 2 weeks).

IS THE HOST'S ROLE DIFFERENT?

Yes, our host will brief you only at the start of your meeting to familiarize everyone with all security measures during the day and will than leave the room.

In advance we will align with you how and when you wish to receive help from our host.

HOW CLEAN WILL THE VENUE BE?

Our regular cleaning standards have been extended.
All used surfaces will be cleaned with disinfectant before the meeting.
There are enough tissues and disposable wipes to use during the meeting.
There are sufficient items at the locations to safely wash and disinfect hands.

WHAT ABOUT THE LUNCH?

The caterer will serve the lunch on a sidetable next to the door. Therefore the caterer can take the necessary distance.

It is also possible to let participants bring their own food.

WHAT WILL BE EXPECTED FROM GUESTS?

Wash your hands often.
Cough and sneeze in the inside of your elbow.
Use tissue paper to blow your nose and then throw it away.
Do not shake hands.
Keep 1.5 meters away from others.
Stay at home with symptoms such as a cold, runny nose, sneezing, sore throat, or mild cough.
Do you also have a fever and / or shortness of breath or does one of your housemates have these complaints? You also must stay at home.
