

ENVISIOGLOBAL

...your partner in trade

COMPANY PROFILE

At Envisioglobal, we pride ourselves on being a dynamic and forward-thinking leader in procurement, supply chain solutions, maritime logistics, consulting, and project management. With a strong presence globally, we are uniquely positioned to offer our clients unparalleled service across these diverse geomarkets.

United Arab Emirates - Envisioglobal Trading LLC: We harness the strategic location and robust trade networks of the UAE to deliver top-tier trading and procurement services, with a strong emphasis on the LNG and oil and gas industries.

United Kingdom - Envisioglobal Limited: Our operations focus on leveraging advanced technologies and strategies to provide cutting-edge procurement, consulting and maritime logistics solutions.

Nigeria - Envisioglobal Services Limited: Our Nigerian division specializes in catering to the vibrant and evolving markets of Africa, offering bespoke solutions in maritime logistics and project management, particularly for the LNG, oil and gas, as well as public sector entities.

Our vision is simple yet powerful: to be the leading force in procurement, offering the most reliable, cost-effective, and innovative solutions to our clients. We are driven by our core values of integrity, excellence, innovation, and sustainability. These principles are the bedrock of our operations, guiding every decision we make and every action we take.

Welcome to a partnership with Envisioglobal, where excellence and innovation drive success!

Unique approach: our method is meticulously designed to align with the specific needs and requirements of each client, fostering an environment conducive to achieving optimal results. Through this tailored strategy, we guarantee a focused and effective solution that meets and surpasses our clients' expectations.

Tailor-made solutions: uniquely crafted to meet each client's specific needs. Our approach is not one-size-fits-all; instead, we prioritize understanding the unique requirements of each client and design comprehensive solutions that align with their objectives.

Our partners have **in-depth technical expertise and robust management skills**, ensuring the delivery of client-focused solutions throughout the entirety of our engagements.

Vision

To be the preferred procurement and logistics partner for the global oil and gas sector. We aspire to revolutionize the industry through innovative solutions and unwavering commitment to client satisfaction.

Mission

To deliver quality products and services that drive operational excellence for our clients. We aim to optimize supply chains, enhance efficiency, and foster sustainable practices.

Core Values

The foundation of everything we do :

Integrity

Excellence

Innovation

SHIPS & BOATS SPARE PARTS COMPONENTS

We provide a comprehensive range of spare parts and components for ships and boats, including engines, propellers, rudders, shafts, bearings, pumps, valves, filters, electrical components, and deck equipment. Our products are sourced from leading manufacturers and are designed to meet the highest standards of quality.

PORTS & MARINE GUIDE EQUIPMENT

We offer a wide variety of ports and marine guide equipment to ensure the safe and efficient movement of vessels. Our products include bollards, chocks, fenders, mooring lines, buoys, beacons, and navigational aids. We also provide port lighting, signage, and communication systems.

OILFIELD & NATURAL GAS EQUIPMENT & SPARE PARTS

We are a trusted supplier of oilfield and natural gas equipment and spare parts. Our products are used in a variety of applications, including drilling, production, and transportation. We offer a wide range of products, including valves, fittings, tubing, pipes, pumps, and compressors.

PUMPS, ENGINES, VALVES, & SPARE PARTS

We supply a complete range of pumps, engines, valves, and spare parts for a variety of industries, including power generation, water and wastewater treatment, oil and gas, and agriculture. Our products are sourced from leading manufacturers and are designed to meet the highest standards of quality and performance.

INTEGRATED SOLUTIONS

We provide global services, specialising in measuring & control systems for diverse industries including power generation, transmission & distribution equipment. Additionally, we supply agricultural equipment & machinery spare parts, offering a wide range for applications in planting, harvesting, and irrigation design and installation.

EQUIPMENT & MACHINERY SPARE PARTS

We provide comprehensive procurement consulting services for equipment and machinery spare parts. Our team streamlines the procurement process, identifying reliable suppliers, and negotiating competitive prices. We empower you to reduce costs and maximise productivity.

OUR SERVICES

MARINE LOGISTICS

We leverage extensive international networks with OEMs and seasoned suppliers to efficiently and cost-effectively source the goods and services our clients' needs. We work with Ship owners and management companies for a seamless "door-to-deck" delivery service for ship spares and marine parts.

IT SOLUTIONS

Our ICT Review Services delve deep into your organisation's systems, analysing existing technology infrastructure, functionalities, and security protocols. We also source and supply cutting-edge hardware and software solutions whilst our Data Backup & Security Solutions are designed to fortify your organisation against potential threats

PUBLIC SECTOR PROCUREMENT

We elevate the value and success of your brand through unparalleled procurement solutions within the public sector. Our team of procurement experts is committed to managing contracts from the initial request for quotation to the final contract closeout, ensuring seamless and efficient processes at every stage.
