

E-Path certificates

Manual

ERA wants to encourage walkers to use the E-paths to strengthen the mutual understanding between people: to encourage cultural exchange; to develop an understanding of different environments and to increase the knowledge of the countryside and the people who live there.

Therefore, the walkers who have travelled on the E-paths in an outstanding way can be awarded by the certificate number 1 or 2.

E-Path Certificate 1

Criteria:

- The same E-path in 3 different countries
- In each of the 3 countries do a 50 km walk on the path
- It must be completed in a maximum 3 consecutive years

E-Path Certificate 2

Criteria:

- Minimum 6 different E-paths
- On each E-path a minimum 20 km walk
- It must be completed in a maximum 3 consecutive years

The application form can be downloaded from the ERA website.

The walker fills in the application form and sends it to his member organisation (member of ERA) together with documentation from the walk (stamps, photo, receipts, invoices etc.).

Only walks done after 1/1 2013 can be awarded.

Your organisation will verify the documentation and send the application form (not the documentation) to the ERA office for the certificate. The address is given on the form or scan it and use e-mail: secretariat@era-ewv-ferp.com.

The ERA office will send the signed certificate back to your organisation, not directly to the walker.

This gives an opportunity to your organisation to award the certificate officially during different events, where the awarded walker gets more honours and E-paths can be promoted among a larger population.

In case of any problem or any question you are welcome to contact the ERA office: secretariat@era-ewv-ferp.com.
