

ESBES 2024

Invitation to
Sponsorship & Exhibition
22 – 24 October 2024
Copenhagen, Denmark

Welcome to Copenhagen!

Dear Colleagues and Friends,

It is our great pleasure on behalf of the Technical University of Denmark to forward this Invitation for Exhibition & Sponsorships of the 14th European Symposium on Biochemical Engineering Sciences, ESBES2024. The conference and exhibition will take place on 21– 23 October 2024 in Copenhagen, Denmark. Copenhagen is an attractive conference location with easy access, great logistics and excellent venues. For many years the city has been one of the world's most popular congress cities. The venue of ESBES2024 will be the headquarters of the Danish Broadcasting Corporation, DR, which offers modern facilities on a fantastic location that is easy to reach by Metro. Coffee and lunches will be served in the Exhibition area. This opportunity will enable sponsors to benefit from a far-reaching exposure in a wide forum of academics, consultants and industry representatives from all fields related to biochemical engineering.

Why Should You Support the ESBES 2024 Conference?

BRANDING:

It provides your business with unique marketing possibilities through the ESBES 2024 website, emails, newsletters, invitations, brochures, banners and merchandise before and during the congress.

NETWORKING:

It provides your business with ideal conditions for networking by creating informal spaces – in between sessions and at receptions, breaks and cultural events where you can meet e.g. with potential clients or decision makers within ESBES delegates.

DISPLAYING YOUR PRODUCTS OR SERVICES:

An exhibition stand at the congress increases the visibility of your business and offers an easy way to make potential clients come to you. All exhibition stands will be placed near the catering locations, common facilities and joint events to ensure the highest possible visibility and accessibility

Yours Sincerely

Ulrich Krühne
