iRACING TEAM NAMES

In order to improve the broadcast all Team Principals from each ASN must ensure that all teams representing the ASN, are using following name template when creating a team in iRacing:

Team name : Team_”Nation”_”#”

Example with four teams from Denmark :

Team_Denmark_1

Team_Denmark_2

Team_Denmark_3

Team_Denmark_4

LIVERY DESIGNS

EDMC RULES AND CODES OF CONDUCT - 5. LIVERY DESIGN

5.8 Race of Nations

All teams participating in the Race of Nations must be running with the livery designed for the ASN that the team is representing. All liveries will be supplied by the organisation.

Download

Please download your ASN/Nation livery on www.esport-racing.eu/edmcdownloads

Name the files according to the teams representing your ASN / Nation

car_team_insert iracing team ID.tga

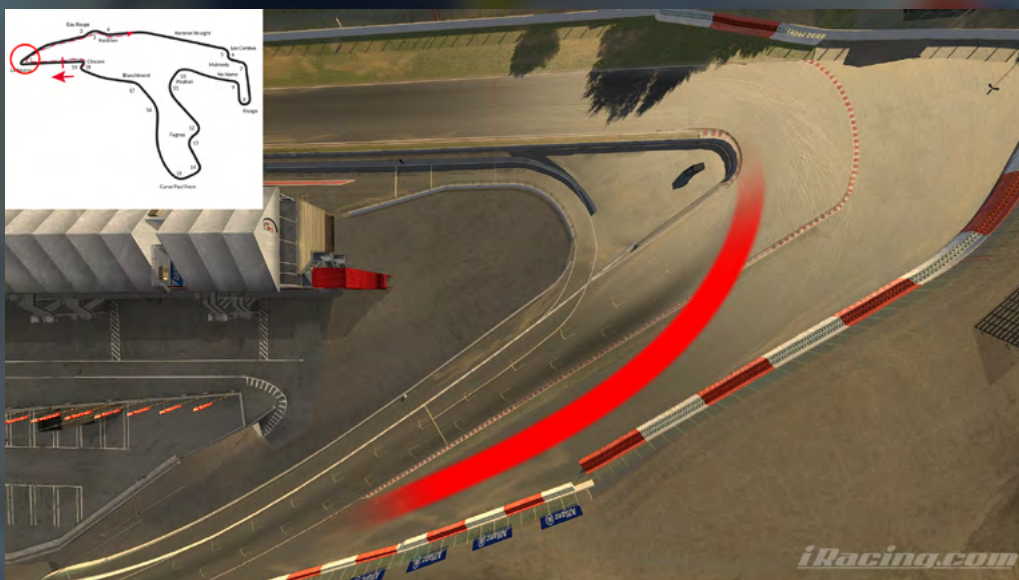

The Team Principal must submit all livery designs to edmc@esport-racing.eu and note ASN / Nation in the e-mail.

- Please send as a compressed zip folder
- It is also allowed to send by Wettransfer download link

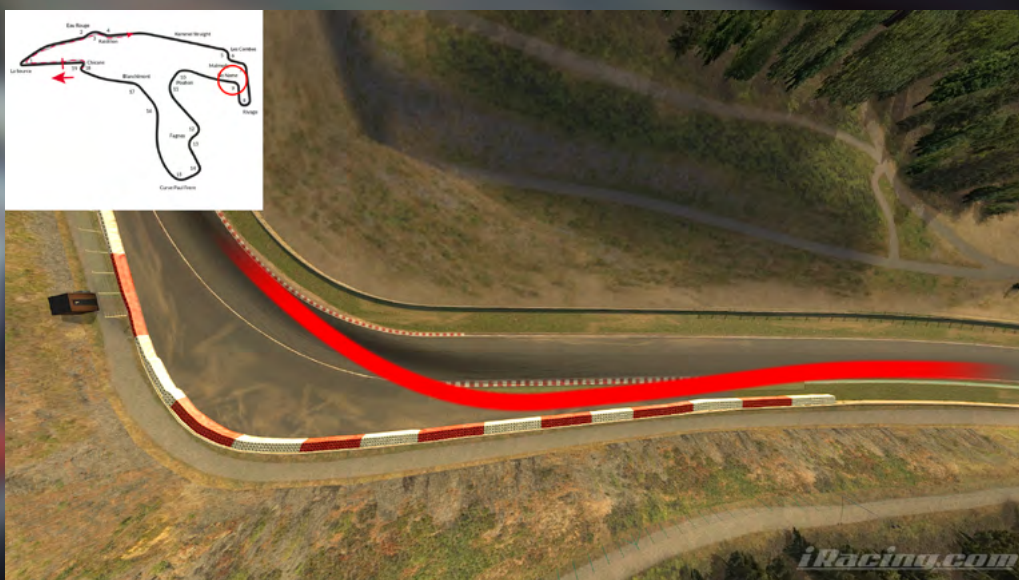

It is not allowed to edit the Race of Nations Livery Designs from its original design. All teams must be using the same livery. Only the organisation is allowed to change make changes to the livery designs.

TRACK LIMITS

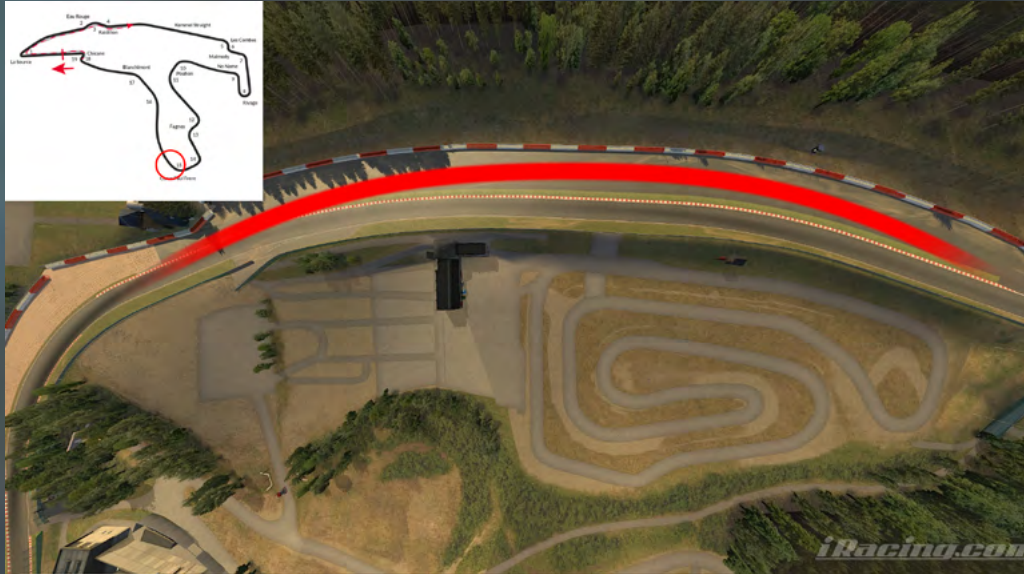

The following pictures show examples of places where the Race Stewards will pay special attention to the deliberate exceeding of the Track Limits. If the Race Stewards feel that a driver is abusing the Track Limit or saves his incident in order to be able to abuse the Track Limits at the end of a race, this can lead to a penalty.

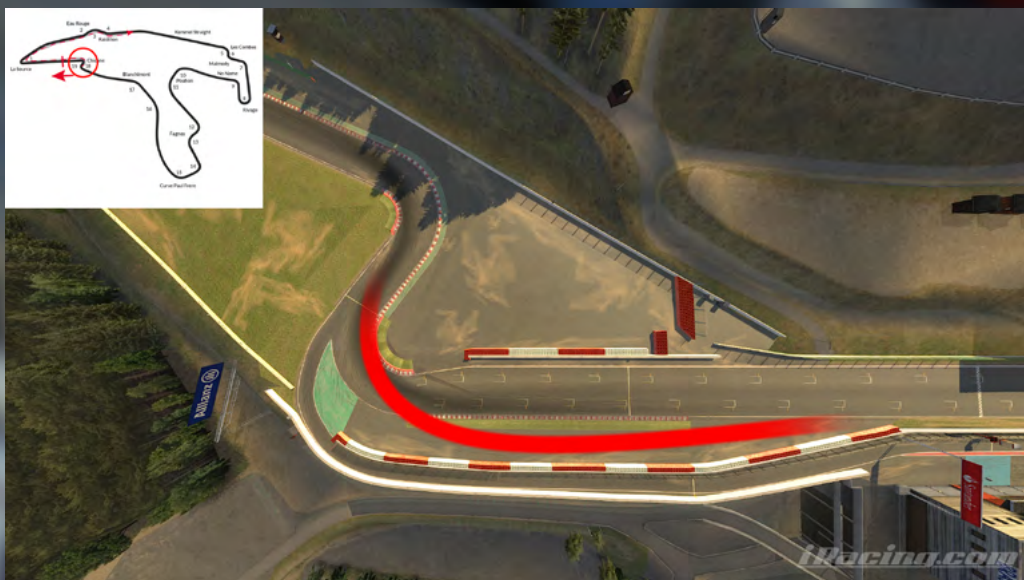

Turn 1, Spa Francorchamps

Turn 9, Spa Francorchamps

Turn 15, Spa Francorchamps

Turn 19, Spa Francorchamps
