Base livery : "car\_<insert iracing ID>.tga"

Spec Map (if needed) : "car\_spec\_<insert iracing ID>.tga"

- Compressed zip folder // Please note ASN name & Nation
- E-mail & WeTransfer

### EDMC RULES AND CODES OF CONDUCT - 5. LIVERY DESIGN

#### 5.1 Rules

Designs that include faces, provocative signals, nudity, political views or seems too unserious, will be removed. Provoking, misleading or fake logos are not allowed. Tobacco and alcohol sponsors/logos are also not allowed. Logos that are representing other game brands than iRacing or goes against the car (Ex. Audi logo on a Ferrari) brand are not permitted.

#### 5.2 Logo Package

The logo package contains logos that all participants can freely use. The logos may not be altered from their original shape, colors or type. The logo package will be supplied by the organisation

#### 5.3 Event Sponsors

All cars participating in the race must have number plate and class sponsors placed according to the template. The organiser is allowed to add event sponsors.

#### 5.4 Copying

It is not allowed to copy other drivers og teams designs.

#### 5.5 Approval of Livery Designs

The Organizer has the right to approve or decline livery designs used for the event. If the livery design violate the rules, the organizer is allowed to demand the team or driver to change it.

#### 5.6 Submitting Files

Details of the paint format, deadlines and how to submit the car paint packs will be supplied by email from the organization, unless anything else is stated.

#### 5.7 Sprint Trophy

All drivers must be running with their own custom skin. The drivers are allowed to run team livery designs. The template supplied by the organisation, must be assigned to the livery design.

#### 5.8 Race of Nations

All teams participating in the Race of Nations must be running with the livery designed for the ASN that the team is representing. All liveries will be supplied by the organisation.

## TRACK LIMITS

The following pages show examples of places where the judges will pay special attention to the deliberate exceeding of the course boundaries. If the judges feel that a driver is abusing the track boundaries or hiding his incident in order to be able to abuse the track boundaries at the end of a race, this can lead to a penalty.

Turn 1, Spa Francorchamps

Turn 9, Spa Francorchamps

Turn 15, Spa Francorchamps

Turn 19, Spa Francorchamps
