European Council for Qualification and Certification of Stage and Event Technicians

Previous member of the ETTE project	<input type="checkbox"/> No <input type="checkbox"/> Yes
An interest, professional or trade organisation that is active in the theatre, event, conference, congress, concert or other live industries; or deliver certifications, qualifications, guidance, training or education to these fields:	
Short description of the organisation: (max. 100 words)	

Declares to accept and support the purpose and the goals of the association and to accept the articles and the household rules of the association.

Promises

- To promote the purposes of the association and, in particular, the common certifications
- To provide all information useful for that purpose,
- To accept the common certificates and qualifications guaranteed by the association.
- To accept and apply the decisions of the General Assembly or the Board.
- To accept and apply the code of conduct and the household rules
- To scrupulously observe the legal provisions in the exercise of their profession

Appoints to represent the legal entity:

Who has taken note of, and agrees with the use of his/her personal information as stated in the GDPR statement of the association, and asks the General Assembly of ETTEC vzw to be accepted as a associated member.
