1. Introduction

The European Commission is committed to protect your personal data and to respect your privacy. The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data.

This privacy statement explains the reason for the processing of your personal data in the context of a (type of a) meeting or event, organised by the European Commission. It explains the way we collect, handle and ensure protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor.

The information in relation to the processing of personal data linked to the EUSP Launch Event, organised by DG DEFIS Unit B.3 of the European Commission, is presented below.

2. Why and how do we process your personal data?

Purpose of the processing operation: the European Commission collects and further processes your personal data to provide you with information about the specific meeting or event (before, during and after) and to process your application for participation in that meeting or event.

Your personal data will not be used for any automated decision-making including profiling.

Please note that this meeting will be held using a third party videoconference IT service, such as Cisco Webex, which processes personal data. Please read section 7 below for more information.

The recording of the event will be made available as Video on Demand. DG DEFIS may further use the Recording as well as the photos – in connection with the Event – for promotion and public relation efforts relating to the conference on the DG DEFIS websites and social media channels.

Speakers and moderators

Names of moderators and speakers will be published on <https://euspace-launch.eu> and may be published on [the DG DEFIS Europa website](#) .

Speakers' entire interventions, including electronic files, likeness, voice and verbal statements will be recorded and livestreamed on Vimeo and Twitter.

Participants

Press Point: Participants representing the Press are invited to the Virtual Press Point for which registration is required to receive access to the WebEx Event. Recordings and/or photos of press participants will be made if press participants request to take the floor. Before taking the floor, the press will be made aware of the recording and publication activities. Simultaneously, Slido will be used for written Q&A, during which press participants' names and organisational information may be mentioned when addressing the written submitted questions during the session. Press participants that do not wish to be part of the above web-streaming and

recording/publishing activities have the possibility to object to processing, by sending an e-mail to the organiser prior to the event.

Public Session: Participants to the public session join the event via live-stream from the website, no registration is required. Participants will not be recorded, however their personal data is processed (optionally) during the Q&A session and for featuring participants' social media posts on the event social media wall. Press participants may further record and publish public session participants' personal data during the Q&A session and on the social media wall.

3. On what legal ground(s) do we process your personal data?

The processing operations on personal data, linked to the organisation, management, follow-up and promotion of the EUSP Launch Event (including registration, live-streaming, photos, audio-visual recording, Q&A) are necessary for the management and functioning of the Commission, as mandated by the Treaties. Those provisions are in particular, Article 11 of the Treaty on European Union and Article 15 of the Treaty on the Functioning of the European Union.

Consequently, those processing operations are lawful under Article 5(1)(a) of Regulation (EU) 2018/1725 (processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the Union institution or body) and Consent.

The processing operations on personal data of the speakers for the meeting or event with whom a contract is concluded, are carried out in line with the contractual provisions. Consequently, that processing is necessary and lawful under Article 5(1)(c) of Regulation (EU) 2018/1725 (processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract).

Your consent is required for the following actions during the event (if applicable):

- the broadcasting of a live-stream;
- the publication of the Video on Demand recording;
- the participation in a virtual Press Point sessions including video and/or audio connection;
- web-streaming and recording of participants i.e. when you choose to switch on the audio/video during the Q&A session held via WebEx;
- Web-streaming and recording of participants' social media post that are featured on the social media wall;
- The publication of the recording as well as the photos for promotion and public relation efforts relating to the conference on the DG DEFIS websites and social media channels;
- for press: the processing of your personal data for inviting you to future events the data controller may organise.

If you opt-in, you are giving us your explicit consent under Article 5(1)(d) of Regulation (EU) 2018/1725 to process your personal data for those specific purposes. You can give your consent via a clear affirmative act by ticking the box(es) on the online registration form.

Your consent for these purposes can be withdrawn at any time by sending an email to dgdefis@mci-group.com.

5. How long do we keep your personal data?

The Data Controller only keeps your personal data for the time necessary to fulfil the purpose of collection or further processing. For each of the categories of personal data that may be processed, please find below the retention details and the reference to the relevant record of processing:

- Personal data related to the organisation and management of the event (this includes the information given during the registration, before, during or after the event) will be kept for **five years** after the event.
- Recordings from the web-streamed meeting or event will be kept for **2 years** before being deleted. More information is available in the Record of Processing DPR-EC-00306 (Web-streaming of Commission events).
- Audio-visual recordings will be kept for **3 months** after the event before being deleted. More information is available in the Record of Processing DPR-EC-01937 (Audio-visual recording of meetings).
- Personal data shared with the controller for future mailing purposes (e.g., for receiving newsletters or invitations to similar events) are processed in line with the Record of Processing DPR-EC-03928 (Management of subscriptions to receive information) and the specific privacy statement prepared by the organising Commission service.
- Selected service providers for organisational purposes (such as caterers, travel agents or event management organisations) are contractually bound to process personal data on behalf of and in line with the instructions of the data controller, keep confidential any data they process and protect it from unauthorised access, use and retention.

6. How do we protect and safeguard your personal data?

All personal data in electronic format (e-mails, documents, databases, uploaded batches of data, etc.) are stored on the servers of the European Commission or of its contractors. All processing operations are carried out pursuant to [Commission Decision \(EU, Euratom\) 2017/46](#) of 10 January 2017 on the security of communication and information systems in the European Commission.

In order to protect your personal data, the Commission has put in place a number of technical and organisational measures. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data being processed. Organisational measures include restricting access to the personal data solely to authorised persons with a legitimate need to know for the purposes of this processing operation.

The Commission's processors (contractors) are bound by a specific contractual clause for any processing operations of your personal data on behalf of the Commission. The processors have to put in place appropriate technical and organisational measures to ensure the level of security, required by the Commission.

7. Who has access to your personal data and to whom is it disclosed?

Access to your personal data is provided to the Commission staff responsible for carrying out this processing operation and to other authorised Commission staff according to the "need to know" principle. Such staff abide by statutory, and when required, additional confidentiality agreements.

Publication of audio-visual recordings will be based on consent for promotion and public relation efforts relating to the conference on the DG DEFIS websites and social media channels.

Where necessary, we may also share your information with service providers for the purpose of organising the EUSP Launch Event. Service providers are hosting personal data in the EU or have BCRs in place (DocuSign).

All personal data remains on EU servers, no personal data is transferred to third countries.

- Cookies that are active for the registration session are those which would allow an attendee to resume the registration in case it was left incomplete, as well as the language cookie for language selection.

Third party IT tools, including Social Media

We may use third party IT tools to inform about and promote the event through widely used communication channels, including the social media. For detailed information about the use of social media by the European Commission, see the Record of Processing DPR-EC-00073 (Social Media Use by the European Commission).

You may be able to watch our videos, which may be also uploaded to one of our social media pages and follow links from our website to other relevant social media.

In order to protect your privacy, our use of third party IT tools to connect to those services does not set cookies when our website pages are loaded on your computer (or other devices), nor are you immediately redirected to those social media or other websites. Only in the event that you click on a button or “play” on a video to watch it, a cookie of the social media company concerned will be installed on your device. If you do not click on any social media buttons or videos, no cookies will be installed on your device by third parties.

In order to view such third-party content on our websites, a message will alert you that you need to accept those third parties' specific Terms and Conditions, including their cookie policies, over which the Commission has no control.

We recommend that users carefully read the relevant privacy policies of the social media tools used: Vimeo, [Twitter](#), [Facebook](#), [Instagram](#). These explain each company's policy of personal data collection and further processing, their use of data, users' rights and the ways in which users can protect their privacy when using those services.

Please note that this meeting or event may be held using a third party videoconference IT service such as Cisco Webex. This IT tools has its own cookies and privacy policies (available here: [Cisco Webex Meetings Commission Record DPR-EC-05006](#) and [Cisco Webex Privacy Policy](#)) over which the Commission has a limited or no control. By participating into the meeting or event via a videoconference IT tool, the participants consent to the processing of their personal data via the third party tool as described in the related privacy policy.

The use of a third party IT tool does not in any way imply that the European Commission endorses them or their privacy policies. In the event that one or more third party IT tools are occasionally unavailable, we accept no responsibility for lack of service due to their downtime.

Other transfers

Please note that pursuant to Article 3(13) of Regulation (EU) 2018/1725 public authorities (e.g. Court of Auditors, EU Court of Justice) which may receive personal data in the framework of a particular inquiry in accordance with Union or Member State law shall not be regarded as recipients. The further processing of those data by those public authorities shall be in compliance with the applicable data protection rules according to the purposes of the processing.

The information we collect will not be given to any third party, except to the extent and for the purpose we may be required to do so by law.

Live-stream and recording of electronic files, likeness, voice and verbal statement will be transferred to a third country by Vimeo under the legal basis Article 5(1)(d) of Regulation (EU) 2018/1725 (the data subject has given consent to the processing of his or her personal data for one or more specific purposes).

8. What are your rights and how can you exercise them?

You have specific rights as a 'data subject' under Chapter III (Articles 14-25) of Regulation (EU) 2018/1725, in particular the right to access, your personal data and to rectify them in case your personal data are inaccurate or incomplete. Where applicable, you have the right to erase your personal data, to restrict the processing of your personal data, to object to the processing, and the right to data portability.

You have the right to object to the processing of your personal data, which is lawfully carried out pursuant to Article 5(1)(a) of Regulation (EU) 2018/1725 on grounds relating to your particular situation.

If you have consented to provide your personal data to the data controller for the present processing operation, you can withdraw your consent at any time by notifying the data controller. The withdrawal of your consent will not affect the lawfulness of the processing carried out before you have withdrawn the consent.

You can exercise your rights by contacting the Data Controller, or in case of conflict the Data Protection Officer. If necessary, you can also address the European Data Protection Supervisor. Their contact information is given under Heading 9 below.

Where you wish to exercise your rights in the context of one or several specific processing operations, please provide their description (i.e. their Record reference(s) as specified under Heading 10 below) in your request.

9. Contact information

The Data Controller

If you would like to exercise your rights under Regulation (EU) 2018/1725, or if you have comments, questions or concerns, or if you would like to submit a complaint regarding the collection and use of your personal data, please feel free to contact the Data Controller: DEFIS-B3@ec.europa.eu.

The Data Protection Officer (DPO) of the Commission

You may contact the Data Protection Officer (DATA-PROTECTION-OFFICER@ec.europa.eu) with regard to issues related to the processing of your personal data under Regulation (EU) 2018/1725.

The European Data Protection Supervisor (EDPS)

You have the right to have recourse (i.e. you can lodge a complaint) to the European Data Protection Supervisor (edps@edps.europa.eu) if you consider that your rights under Regulation (EU) 2018/1725 have been infringed as a result of the processing of your personal data by the data controller.

10. Where to find more detailed information?
