

Press release:

Everfuel lists on Merkur Market to accelerate deployment of green hydrogen for zero emission mobility across Europe

Herning, Denmark, 29 October 2020 – The shares of Everfuel A/S were today admitted to trading on Oslo Stock Exchange’s Merkur Market following the successful completion of a share issue in which the company raised NOK 290 million through a private placement. The shares are traded under the ticker code EFUEL-ME.

The proceeds from the capital raise will be used to expand activities in Norway, Sweden, Denmark, Germany, the Netherlands and Belgium, equity investments and working capital for ongoing and new projects, R&D and technical development, build-up of organization and general corporate purposes.

“We are truly excited by joining Merkur Market on the Oslo Stock Exchange and we are equally thrilled about the investors who has joined us, believing in our cause of making green hydrogen fuel a reality in Europe. We will make sure to put that capital to very good use and grow our business”, says Jacob Krogsgaard, the CEO of Everfuel.

About Everfuel | www.everfuel.com

Everfuel is making green hydrogen for zero emission mobility commercially available across Europe, offering competitive all-inclusive hydrogen supply- and fueling solutions. We own and operate green hydrogen infrastructure and partner with vehicle OEMs to connect the entire hydrogen value chain and seamlessly provide hydrogen fuel to enterprise customers under long-term contracts. Green hydrogen is a 100% clean fuel made from renewable energy and key to electrification of the transportation sector in Europe and a sustainable future. We are a young ambitious company, headquartered in Herning, Denmark, and with activities in Norway, Denmark, Sweden, The Netherlands, Germany and Belgium, and a plan to grow across Europe. Everfuel is listed on Merkur Market in Oslo with ticker code EFUEL-ME.
