14.00-14.30	Exam/Clinical cases	All
14.30-16.00	Discussion of clinical cases from participants	
16.00	Closing ceremony	All

Comment on Discussion of clinical cases from participants:

Participants are intended to send their “personal” cases in until 2 weeks before the course starts. Lecturer will get additional pictures etc. on similar cases to fill materials.

Diagnostic workout, Treatment etc. will be discussed together.

Organisation of the course:

Prof. Dr. Sandra Goericke-Pesch, Dipl. ECAR, University of Veterinary Medicine Hannover, Foundation, Hannover, Germany

Lecturers:

Prof. Dr. Eva Axner, Uppsala, Sweden (EA)

Dr. Paulo Borges, Lisbon, Portugal (PB)

Dr. Lluís Ferré Dolcet, Padova, Italy (LFD)

Prof. Dr. Alain Fontbonne, Maison-Alfort, Paris, France (AF)

Prof. Dr. Sandra Goericke-Pesch (SGP)

Dr. George Mantziaras (GM)

Dr. Ilona Kaszak, Warsaw, Poland (IK)

Dr. Hanna Körber, Hannover, Germany (HK)

Dr. Andrea Münnich, Bernau, Germany (AM)

Dr. Helen Ovregaard, DVM, Bergen, Norway (HO)

Dr. Carlo Masserdotti, Milan, Italy (CM)

Practicals:

Prof. Dr. Eva Axner (EA)

Dr. George Mantziaras (GM)

Dr. Paulo Borges (PB)

Dr. Andrea Münnich (AM) (neonates)

Prof. Dr. Sandra Goericke-Pesch (SGP)

Dr. Hanna Körber, Hannover, Germany (HK)

Team small animal reproduction

Venue: Klinik für Kleintiere, University of Veterinary Medicine Hannover, Foundation, Bünteweg 9, 30559 Hannover

Practicals: Reproduktionsmedizinische Einheit der Kliniken – Klinik für Kleintiere, Bünteweg 15, 30559 Hannover and Klinik für Kleintiere, University of Veterinary Medicine Hannover,
