

Three open positions in the EVSSAR Board

Dear EVSSAR members,

During the upcoming EVSSAR Congress at Porto, 3rd -5th July 2025, three new EVSSAR Board Members will be elected.

In order to have a balance between practitioners and academics in the Board, the current positions will be opened for **two academics and one practitioner**.

EVSSAR members living in Europe and having paid their 2025 membership fee can submit their application (a motivation letter, a short CV, a picture and a pdf scan of ID card) until **June 2nd, 2025**, to secretary@evssar.org

With kind regards!

The EVSSAR Board
