Testimonials

This pioneering, unique and truly inspiring event occurred perfectly at this time in our evolution. A real global catalyst. It was done with great taste, humility and authenticity. It managed to capture the best of the best of who today's global citizen now is and can become when we all work together, without ego, for the global good."

Julie Hamilton

"This is basically TED meets SingularityU meets Burning Man meets global Hackathon."

Brian Bacon

"ExO is an impassioned group that instrumentally enhances entrepreneurial chains for collaborating across a global network of diverse experts"

Khalil Mirza

"The best event I have ever attended!"

"Game-changing!"

"Trailblazing!"

"A festival like no other!"

"Much better than traditional conferences."

"A breakthrough..."

"Brilliant, truly amazing!"
