

CALL FOR FOUNDER MEMBERS

SILVEREST RECREATION PLAZA

"Social Interactions Worth Your While"

What is the Silverest Recreation Plaza?

The SILVEREST RECREATION PLAZA is a private-owned membership recreation organization owned by FASE LTD. The Proprietor is constructing the Plaza at cost. The Plaza's infrastructure includes:

- a) Multipurpose hall with bar
- b) Butchery-Kitchen and restaurant
- c) Clubhouse with bar, members' lounge and games rooms.
- d) Boardroom
- e) Outdoor terraces
- f) Convenience store
- g) Car park & car wash
- h) Barbershop

Why we created the Recreation Plaza?

The SILVEREST RECREATION PLAZA has been formed to:

1. Help create a powerful platform which the residents of Silverest and Waterfalls can utilize to organize, combine resources, and build an informed, cohesive, collaborative and proud community.
2. Provide the residents of Silverest/Waterfalls and beyond a clean, safe, credible, ambient and respectable place to relax, enjoy, meet, play recreational games and convene for common interests.

Mission

Our mission is to enrich the lives of the residents of Silverest and Waterfalls by getting them and keeping them active -mentally-physically-socially- through providing excellent recreational facilities that can host a variety of activity-clubs formed by individuals motivated by common interest and desire to participate in that interest/game/sport, in first-rate recreational facilities.

How it Works

In the first instance, individuals (even non-Silverest/Waterfalls residents) become members of the Silverest Recreation Plaza by paying fees to join either the private membership club (Think Tank) or the membership recreation centre (REC Centre). Members of the private membership club are also entitled to full access to the membership recreation centre facilities.

Members can then form clubs based on recreation games, hobbies and special interests. All they need to do is have at least 7 members, develop a constitution, and appoint/elect a committee with, at least, a chairperson, vice chairperson, treasurer and secretary. Only members of the Silverest Recreation Plaza can hold office in a club/special interest group and/or join a club/special interest group registered at the Plaza. Their club is then registered as a resident club at the Silverest Recreation Plaza. That is all and they are good to go. The Club operates according to its registered constitution and, by and large, it is up to the Club rules/organizers to determine their own procedures for club operations.

Why become a Member and Why host the Club at the Silverest Recreation Plaza?

The FASE SILVEREST RECREATION PLAZA provides the following advantages:

1. You don't have to build your own venue, club house, create systems, manage operations and administration, and employ staff, at great cost.
2. You will have permanent access to a suitable venue to host club games, leagues, tournaments, meetings, and awards galas, on a designated day and book weekends too.
3. There is continuity of the club/special interest group even if individuals change or move on; Your club will have a physical address and postal address for communications
4. Your club will have access to the Plaza's website to host club content, communications, advertising, newsletter and the blog;
5. You will have access to the Plaza's office administration systems, officers, licenses, and the financial platforms for your club's activities and billing;
6. You will have access to the Plaza's sales outlets for sport, game equipment and merchandise;
7. Your members will have access to the Plaza's pub and grill, clubhouse, membership lounges, restaurant, car park and many other convenience services;
8. You will have opportunities to meet new people, make new friends and network on a business, professional and social level. If you run a small business you may have a chance to promote your business;
9. You get to engage in your interests, or be exposed to new interests; meet a group of people sharing the same passions;
10. Have a staple place to eat, drink, and be merry; and a place to work if you like;
11. You will have a place to satiate boredom, loneliness, social isolation and being left out; The Plaza will organize so many events you may find yourself with a packed social calendar; and
12. You will have access to opportunities to help build a sense of community and belonging; develop new skills and interests and provide/receive support and encouragement, learn about new perspective, share ideas and knowledge and be involved in regular activity.

By any standards, it is a great value indeed.

What are the long-term Goals?

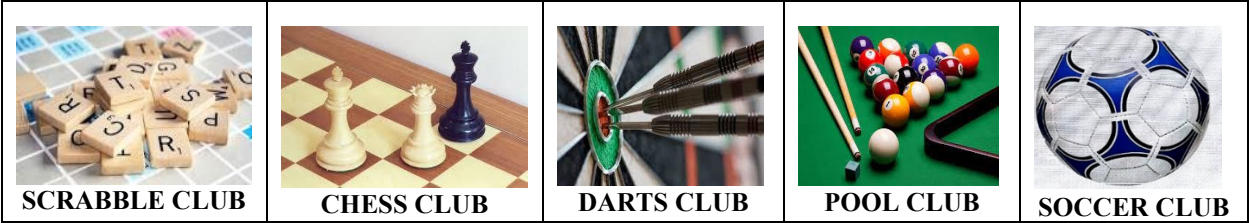

The long-term goal of the Silverest Recreation Plaza is to build a symbiotic relationship with the residents of Silverest/Waterfalls areas and its membership by providing a premium recreation facility and service; and to become their recreation centre of choice and at the same time participate in building cohesive, informed, coordinated and proud Silverest/Waterfalls and membership communities.

The Anchor Recreation Facilities

 <p>The Rec Centre</p>	<p>The REC Centre is a hub of membership recreation clubs/special interest groups formed by persons motivated by a common interest and a desire to participate in that interest/game/sport. The inaugural clubs include: Scrabble, Chess, Darts, Pool and Social Soccer.</p>
 <p>THINK TANK PRIVATE CLUB</p>	<p>The Think Tank Private Members Club is envisioned as a kind of Camelot (a time, place or atmosphere of idyllic happiness) for entrepreneurs, intellectuals, leaders and progressives to get together and inspire one another. It is a roundtable club for persons committed to exchange of ideas and self-development, in order to improve their social, business, professional, financial and intellectual condition, while enjoying social and recreational time.</p>

The Call for Founder Members and Conveners for the Anchor Clubs

Because the benefits of becoming a member won't be fully available until the Silverest Recreation Plaza is opened, it is recognizing the early supporters with the designation of founding member. Everyone who joins before the Plaza opens its doors is considered a founding member. "Founding members are doing more than buying membership, they're making a statement; they're advancing an idea." ***You are invited, through this special offer, to apply and become a founding member of the Silverest Recreation Plaza,*** indicate in the application if would also like to be a convenue for one of the inaugural anchor clubs indicated below.

PLEASE NOTE that once fully operational, scheduled for Q4 of 2023, membership will be **capped** at 150 for the REC Centre and 50 for the Think Tank, and will be vetted by the membership committee.

Benefits of Being a Founder Member

At the new Silverest Recreation Plaza, a limited number of Founding Memberships are available before the club's planned grand opening date. Founding Members get in first with this exciting new venture — and are rewarded with some premium incentives.

1. Discounted joining and registration fees;
2. Exemption from strict future membership enrolment screening procedures;
3. Opportunity to lead the process of setting up the inaugural clubs and special interest groups;
4. Participate and influence the future operations of the Silverest Recreation Plaza;
5. Your name inscribed on the Founder Member plaque to be situated at the Silverest Recreation Plaza and also on the Plaza's website;
6. Official Certificate & Membership Card, with unique member number that allows discounts on merchandise, venue hires and Plaza events;
7. Attend exclusive preopening events; Meet your fellow Founding Members, get to know the Silverest Recreation Plaza team, and sample event innovations before the Plaza opens;
8. Receive invites to Founder dinners, cocktails, events and get VIP status at selected events;
9. Opportunity to become a life member (applies to Platinum and Gold membership only).
