Pasen schenkt ons weer nieuw leven.

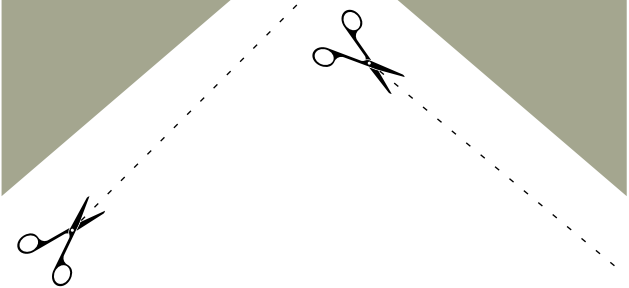

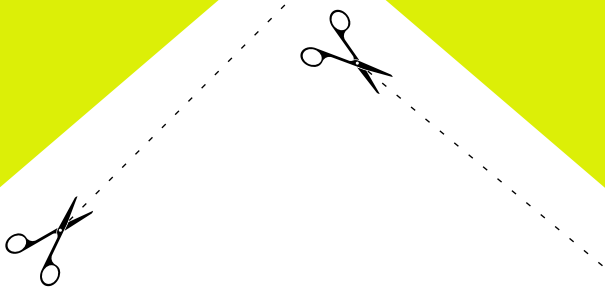

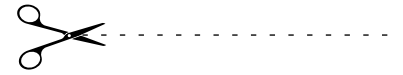

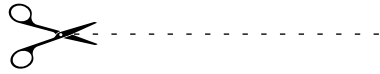

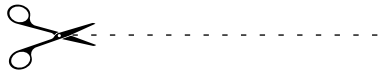

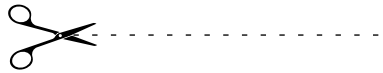

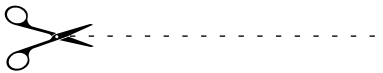

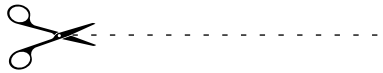

Niet elke dag
zal misschien goed zijn,
**MAAR ER ZIT IETS
GOEDS IN ELKE DAG.**

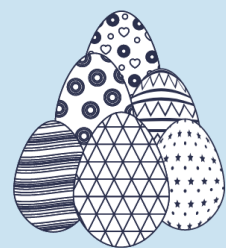

ALS ER HOOP IS
IN DEZE WERELD,
DAN LIGGEN DIE IN KLEINE
GEBAREN VAN GOEDHEID.

ALS JE ER NIET VROUWLIK VAN WORDT,
DAN MOET JE HET NIET DOEN.

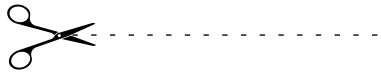

Geluk gelijkt een beetje op paaseieren.
Ernaar zoeken is het leukst.

Hoop hebben is mooi!
HOOP GEVEN OOK!

Hey

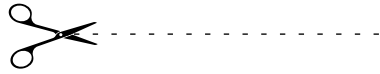

KIJK EENS OMHOOG,

de zon loopt

als een gek te

stralen.

Kom we gaan
de bloemetjes
