APPLICATION PROCESS

The application process for joining FAI couldn't be simpler!
All you have to do is follow these 5 simple steps:

1.

Registration

Fill out the registration form.

2.

Interview with Find An Internship

You will be assigned an Internship coordinator who will work with you to understand your personal circumstances and requirements.

3.

Internship research

The internship coordinator will send you a list of several internship offers that match your request. Throughout the process, we will ensure that clear communication and feedback is given at every stage. We will review your CV and send it to the companies directly.

4.

Interview with the company

Once we have received a response from a potential host employer, in order to secure your interview spot a 10% deposit is required. The Internship coordinator will assist you and ensure you are fully prepared for the interview.

5.

Signature of your training agreement

As soon as a company agrees to take you on, in order to receive your internship agreement signed by the chosen host company, we request payment of the balance owed.

LONDON AT A GLANCE

TRAVEL IN LONDON

London boasts some of the best modes of public transport in the world, which include:

Underground Train Service

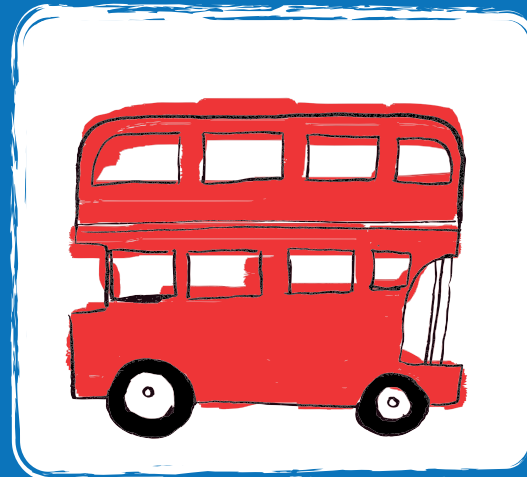

- Which run frequently throughout the day.

Over ground train service

- The over ground train service is useful to getting to and from your destination in as quick as time as possible.

BUSES

- If the train service isn't for you then why not travel on the historical London Bus, which will take you all across London to your required destination.

Boris Bikes- A Fan of excise? Why not try one of our famous Boris Bikes... Use these and explore London at your own leisure

Travel Insurance - It is necessary to have travel insurance to cover when travelling to a foreign country.

Travel insurance will come in handy if anything was to happen to you during your stay, including being involved in an accident or being hospitalized.

One of the most important things to bring with you is European Health Insurance Card. Having this free card gives you access to medically necessary, state-provided healthcare during a temporary stay in any of the 28 EU countries.

ACCOMMODATION

Does the idea of living in London stress you out? Well it doesn't have to be a daunting process.

There are a large number of places to stay in London for cheap prices. We offer assistance in trying to find suitable accommodation for you, during your stay in the city.

This doesn't mean they aren't pleasant, it means they are there for your benefit. Accommodation in London is easy to find, and we are here to help assist you in the process.

Share! Why not share accommodation? This way you not only have a place to stay, but you can also interact with people from other countries, becoming friends in the process.

Host!

You can also use the house hosting platform during your stay.

We rely on our connection with host families to help us care for our students during their internship.
