Section 8 – Opt-Out Policy & Reasonable Alternatives
Parents may choose to access funded-only hours. Selecting this fully free offer means parents agree to provide all meals and snacks for the entire 10-hour session.
Parents accessing funded-only hours must also agree to our Packed Lunch Policy, which outlines requirements for how food should be packaged and stored,

guidance on meeting nutritional standards, and considerations related to food allergies, as relevant information is shared.

If a parent wishes to opt in—moving from the free offer to a purchased package, where all meals, snacks, and listed consumables are provided and the child attends for any additional unfunded time—this change can be made immediately (or as soon as reasonably practical) once confirmation is received via email.

If a parent wishes to opt out—moving from a purchased package back to the free offer—they must provide four weeks' notice by email. During this notice period, we will prepare to adjust the child's sessions to funded-only hours and ensure a signed Packed Lunch Policy is in place before the new arrangement begins.
