

KITCHEN IN THE NORTH

**POHJAN**

The letter 'O' in 'POHJAN' is a large, dark blue circle containing a stylized landscape. At the top is a solid orange circle representing the sun. Below it are dark blue, jagged mountain peaks. To the left of the mountains are several thin, dark blue, triangular shapes representing evergreen trees. At the bottom of the circle are white, wavy lines representing a body of water or a snowy field.
