Introduction

Grampian Pride® is a celebration of the LGBT+ community in Scotland. Pride reflects the diversity of LGBT+ community as a whole, where individuals, organisations, businesses and community groups come together. Grampian Pride® also raises awareness of campaigns for LGBT+ equality. This guide contains all the necessary details to help ensure that your stall is a success whilst adhering to the policies laid out by Grampian Pride® Committee and Aberdeen City Council.

Who can have a stall?

Stalls in the Grampian Pride® Village are available to all charities, businesses and community organisations aiming to improve the wellbeing of the LGBT+ community. Sponsors of Grampian Pride® may also have a stall within the charity tent if they wish, with the purpose of raising LGBT+ inclusion and awareness in their organisation.

Stalls are not allowed for:

- Companies known for not supporting LGBT+ rights and equality;
- Market research, such as medical or community surveys;
- Purely promotional purposes;
- Alcohol (unless authorised by the committee);
- Signing up customers for internet, utilities etc.

If you are unsure if you would qualify for a stall, please email mail@grampianpride.org

Cost

For non-charity stalls, the cost is calculated per business:

Bars (Av. Capacity / 2 x average sale - 90% + £2,000)

Hot food stalls, (Av. Capacity / 2 x average sale - 90%)

Other food stalls (Av. Capacity / 2 / 4 x average sale - 90%)

Merchandise or other non-food stalls £100.

All funds must be paid with 28 days of receipt of invoice. All proceeds go towards Grampian Pride®.

Grampian Pride® will not charge charities for having a stall in the Grampian Pride® Village. However, if your organisation has the means to become an official sponsor or make a donation we would be most grateful. Please contact mail@grampianpride.org for details. By becoming a sponsor or making a donation you are helping ensure that Grampian Pride® stays free for those who need it, creating an inclusive and fun event.

Responsible Person

Each stall is required to provide a “responsible person” to be the point of contact for organisers, staff and volunteers. The point of contact in your organisation should receive a copy of this pack at the time of booking alongside other relevant emails including Village timings and information about briefings. This person is responsible for communicating the information provided by Grampian Pride® to all members involved with your stall.

Generators & Electrical Systems

Due to fire risk and public safety, no generators or electrical systems are allowed at non-food stalls. If you are a food vendor and are bringing your own vehicle/stall please ensure that you
