

Make an impact on the future!

Technical innovation and digital solutions

The Voith Group is a global technology company. With its broad portfolio of systems, products, services and digital applications, Voith sets standards in the markets of energy, paper, raw materials and transport & automotive.

Voith Paper – A pioneer in papermaking

Paper making has a long tradition at Voith. For more than 150 years, the pulse of Voith has been beating for paper: for its production, for its further development.

Our mill in Högsjö is one of the world's leading manufacturers of press felts for the production of paper and pulp.

Generation after generation we have met the ever-changing demands of people and markets and played a key role in shaping our industry. We have transformed, improved, and reinvented ourselves time and again to give our customers a head start. This is what we're working for. With a dedicated team of professionals who commit themselves with new energy and passion to your success. Day by day. Now, and in the future.

Why you should start your career at Voith

As an international company of 21,500 employees, Voith offers career opportunities in over 60 countries.

What we do improves the lives of millions around the world. It's the extraordinary people at Voith who make that happen. We invest in their growth to help them unlock their potential as leaders, innovators, and drivers of change.

Be extraordinary and become part of our story!
We make a difference!
