# Fundraising Pack

# Did you know?

49 percent of girls have missed an entire day of school because of their period. 59 percent of these girls have made up a lie or an alternative excuse to avoid going to school. In one year, 137,700 children in the UK miss school because of period poverty.

£3.50 is all it costs to create a reusable period pad pack that will last up to 3 years. This will then support one of the beneficiaries of our East Africa projects to manage their menstrual health, to feel comfortable when they get their periods and to stay in school.

Around the world, millions of women, girls and people who menstruate live without access to the safe menstrual products they need, putting their health and safety at risk.

# How your support will help

At Freedom 4 Girls, we are passionate about the importance of normalising conversations about menstruation. This is done from using a range of approaches including: challenging stigmas and myths associated with periods, to providing education sessions that offer a safe space for healthy conversations about periods.

Your support allows us to continue campaigning and making a difference for those who are in need, whether that is through education, support with advice and referrals, products and much more.

Spreading the word, fundraising and getting involved are all amazing ways that will help us gain a larger following, receive more donations of products, grow our team and help more people.

# Every donation counts!

With your donations we are able to:

- Campaign for menstrual equity.
- Run donation stations that provide a choice of free period products to those most in need.
- Work with a network of voluntary, statutory and private sector agencies to supply those in need with access to free period products.
- Deliver a menstrual health education programme that focuses on empowering young people, reducing stigmas and developing their confidence and comfort around menstruation.

‘Today’s education session has been enlightening, learning about periods and all the issues and taboos. Thanks for creating more awareness around period support!’ -  
**Quote from an education session attendee, 2023**

‘Clare was very nervous about using the pants the first time we met. I talked her into it and made her promise to try them. I walked into an event after not seeing her for three months and she said to me "omg, I used the pants. They are amazing. I was so surprised at how absorbent they are, and leak proof. I'm very pleasantly surprised. Honestly, I wouldn't go back now. Have you got any more?'.

**- Case study 2023**

# Fundraising ideas for you

- **No tech day:** Have a whole day with no phones, iPads, laptops or any other technology. Maybe students could be sponsored to take part.
- **Bake sale:** Parents, students and staff can contribute baked goods for a one-day sale. Children and/or parents can be invited in to buy these treats.
- **A colour a day week:** Students can donate a specific amount of money to come to school dressed in a different colour each day of the week.
- **Fun run:** Organise a Fun Run or Fun Walk that the students can participate in. Encourage them to raise pledges from their families or ask for a specific donation amount. Make it a fun event with music, snacks, and high energy.
- **Raffle:** Sell tickets for the chance to win a particular prize – this could be a basket of goods, a 50/50 draw for cash, or another prize donated by the community or school.

- **Dance-athon:** Dance away with a music-filled party or organise a Strictly-style contest. Classes could even learn moves before the big day and people can donate to take part, or to come and watch
- **Multicultural fair:** Showcase the many delicious foods and unique talents of your students by hosting an event where students are encouraged to share their cultural traditions with one another.
- **Read-a-Thon:** Read as a class or encourage individual reading during a specific period of time. Ask for donations based on how much you read
- **Sponsored silence:** Raise money, but don't shout about it! See if you can manage a silent afternoon of just nodding and pointing.

You could also think of your own fun ways to help us raise money! Every idea and every event helps and we look forward to having you on board.

**Check out our free downloadable sponsorship forms and aids, along with our poster templates to help you get going!**

# How your money will make a difference

£25 can provide 3 period packs for those in need.

£70 can provide 2 education sessions for members from our vulnerable communities.

£130 can provide fuel to deliver period products to people in need for the month.

£500 can provide 2 classrooms of girls in Kenya, with reusable period packs lasting up to 5 years.

# Other ways to support

## Set up a donation station

If you would like to support your local community by starting your own donation station, Freedom4Girls can offer support and advice.

We suggest speaking to your local community centres, charities, supermarkets, schools and other organisations, who may accept or benefit from donations.

After finding a donation station host, arrange convenient collection days and identify where these products would best be distributed, either on site or being taken elsewhere.

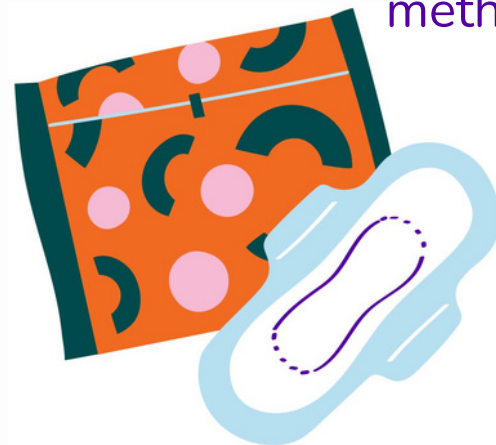

[info@freedom4girls.co.uk](mailto:info@freedom4girls.co.uk)

# Donate period products

We gladly accept donations of in date, disposable or washable, reusable menstrual products from both members of the public, businesses or product providers.

Freedom4Girls currently have a number of donation stations set up across the country, you can find our [Leeds locations here](#) and our [Leicester locations here](#). We also accept postal donations.

You could set up a donation station in your school/ college/ workplace, and collect a range of donations and then send them into us using any of the above methods.

Please note that we only accept postal donations which include more than 10 packs of period products.

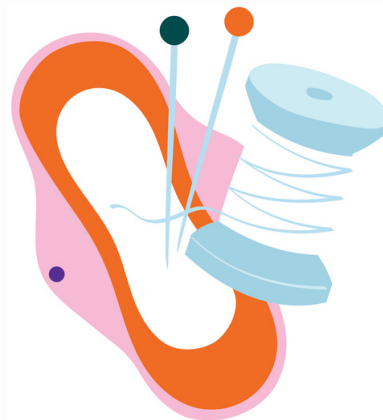

# Sew period products

Host sewing workshops or have a sewing day at your school/college/workplace.  
Why not donate some of your time and hold a sewing workshop day/ half a day/ evening at your school/ college?

This could be inviting parents and older siblings / family members for the event , or this could be done during the day or in place of a textiles lesson.

**Our super sewers are happy to help you organise, send in support or even attend a session to support all of your sewing needs!**

**(This is subject to availability, and will take into consideration distance and may incur travel financial contributions).**

# How we can support

We can provide some extra support by:

Coming into your school/college/ workplace and supporting you with a sewing workshop.

**(This is subject to availability, and will take into consideration distance and may incur travel financial contributions).**

Sending in information and ideas that you may need to support your fundraising.

Providing educational talks and advice in your school/ college/ workplace that will inform you about period poverty and the education of periods.

Being at the other end of an email if you need us for anything that we can help with.

**Remember, we are a small charity but we are passionate and will try our absolute best to accommodate all of your needs.**

Thank you!

# How to return your funds

Donate or set up your  
own fundraising page

Bank transfer:  
Freedom 4 Girls UK  
Registered Charity

**Thank you for choosing to fundraise for Freedom 4 Girls!**

Our charity's missions and aims are to support those who menstruate by challenging the stigmas, taboos and gender inequalities associated with menstruation through education, provision of menstrual health management solutions and actively being at the forefront of the wider campaign against period poverty. Thanks to the support of people like you, we are able to do our best to fight period poverty and to educate people around the world.

**In this pack you will find various fundraising ideas, templates and aids to support your fundraising adventure.**

Lots of love , F4G x
