Hesselholdt & Mejlvang: TWO FOOLS IN A SINKING BOAT, 2022

*De to narre kommer ind efter hinanden gennem forhænget på scenen. Med flag.
De kigger søgende rundt i lokalet og siger:*

V: No, we don't sell candy! Or brandy

S: We are the messengers

S: We tell important bullshit

*De går ned af hver sin trappe og går parade med flagene rundt i en firkant om kameraet.
En lille militant opvisning. De lægger flagene fra sig og siger til kameraet:*

V: Joy!

V: Joy!

V: Where are you?

S: Laughter, where are you?

V: Optimism, where are you?

S: Fear seems to be driving everything today

S: We want to play

V: Fear less!

S: Fearlessness...

V: Fun?

S: Fun is gone!

S: Run run run

V: Fun is a right

V: But now it's night

Vibeke henter skilt 2

Monolog 1. Den ene holder et skilt op for den anden på hver side af kameraet:

S:

Dark as the rising ocean

crawling in slow motion

Rising to the highest mountain

An enormous fountain

Salty sea

You used to amuse me

You were so much fun - but now it's gone

Sea, you are leaving me

Deceiving me

Eating the shores

Slowly

Holy Moly

Holy Moses

Monolog 2. Den anden henter et skilt og holder det op:

V:

Sun, you used to be so much fun

We used to wish for endless summer days - and a dark tan

Be careful what you wish for

We kept using the fan

The aircon, carbon

We had no plan

But driving the van

Sun, your days are seductive

But your rays are destructive

You are burning us

your heat is overwhelming

The clock is ticking tik tok

Ding dong - time is running out

S: Who are we to blame?

S: This is a game

V: we cannot win

V: Too much sin

S: Too much sin

S: We want to win

V: It's not a game - it's reality

S: Banality

V: Sleep tight

V: Through the night

V: Calm the mare

V: Say your prayer

S: Every storm runs out of rain,
just like every dark night turns into day

S: Tomorrow is a new day

S: Fear won't be away

V: We need to pray

S: We need to play

Narrene tager flagene op og står med dem. Banker dem ned i gulvet.

S: Humanity!

S: Are we here to stay?

V: We want to stay

V: Are we sliding away?

S: Where are we going?

V: To the sandy, stony and rocky seashore?

V: To the drugstore?

V: Through that door?

S: To war!

S: Draw your sword! Flaget som svær

V: BOMB BOMB BOMB *Flaget bruges aggressivt*

S: STAB STAB STAB *Flaget gennemborer luften*

De smider begge deres flag på gulvet (fin lyd og dramatik):

V: No, I am lying

V: They are dying

V: They are crying

V: Never ever flying.... again

V: You don't wanna go there

S: Don't kill

S: Don't rape

S: Don't shoot

S: Don't shed blood

S: Oh my Goddess

V: Dear Goddess

V: Sorry, we are in a hurry

V: No time for curry

S: LISTEN LISTEN

S: War is no solution

V: Let's think about pollution

S: Smash an institution

S: Execution

V: Revolution

De tager flagene op og vifter vildt med dem og lægger dem derefter ned:

V: What is the direction

V: Where is reflection

S: Where are we rowing?

S: What are we thinking?

V: This boat is sinking

V: Everyone is drinking

S: Slowly, undeniably, we are drowning

S: And we are only clowning

Syngende:

V: Row row row the boat

S: Let's keep it afloat!

V: Row row row the boat

V: Gently down the stream

S: If you see a monster

S: Don't forget to scream

V: Life is not a dream

S: Laugh, clown, laugh!

S: Laugh on my behalf

V: These really are difficult days

V: We need to find new ways

S: You creative idiot

S: Come closer... yes, like that

S: Meet me, touch me

S: Talk to me

S: Help me

V: But help yourself first

De tager flagene op fra gulvet og rider vildt rundt på dem i en cirkel om kameraet:

V: Navigate that space

V: Ride that race

V: Slow the pace

V: Show your face

S: Take off your mask

S: Being prophetic has never been a comfortable task!

V: This is not the end... Ha

S: Ha ha ha

V: Ha ha ha

S: But in the meantime, it's going to be very, very ugly
—and potentially dangerous

V: No, we don't sell candy!

V: We don't have any candy...or brandy

S: LISTEN

S: We tell important bullshit!

V: Don't be blue

V: Take off your crabby shoe

V: Don't be sad, be mad

S: Let go of that balloon

S: Come join the joyride!

V: Joyride

V: To the Moon!

S: Find energy

S: Kiss your enemy

V: Laugh, fool, laugh

S: Scream

S: Dream

V: Find light

V: Find fun - and you have won

S: Wish

V: Find optimism

S: Find anger

S: Roll up your sleeves

S: We have work to do

V: Huh huh

S: Together

V: Together

S: Grab your toy

V: Hope, enjoy

S: Love each other

V: Bother

S: Earth Mother says

V: Help me

V: Tenderly

Klip. Narrene forsvinder og det tomme rum står tilbage... flagene ligger på gulvet
