

HUUTO'S PRINCIPLES FOR A SAFER SPACE

WE RESPECT

Racism and discrimination have no place in our association. We respect each other, our differences and everyone's right to participate. We do not tolerate any form of harassment or discrimination. Everyone has the right to indivisible human dignity. We take care of each other.

WE DO NOT MAKE ASSUMPTIONS

We avoid making assumptions. We cannot determine another person's gender, background, sexuality, functional ability or for example their socio-economic status based on their physical appearance. Everyone has the right to define or not define themselves.

WE PREVENT DISCRIMINATION

We are committed to preventing all forms of discrimination, such as racism, xenophobia, sexism, cissexism, homophobia, transphobia, religious discrimination, class discrimination, age discrimination and any form of discrimination based on a person's appearance or nationality.

WE INTERVENE

If a situation feels unpleasant and/or you witness any form of inappropriate behavior, do not be a bystander, inform our staff.
