

# Delegation of duty as permit manager to the Contractor

Owner/ Client:

.....

Company/ Contractor authorised to issue permits for fire hazard works:

.....

The permit responsibility concerns the following addresses, contracts and projects:

.....

.....

- The Owner/ Client hereby delegates its permit responsibility to the worker in accordance with the safety rules for fire hazard works.
- The contractor must use in his/her organisation the form entitled "Assignment as Permit Manager" if the contract is executed with a natural person.
- NOTE: The permit manager's authority may not be transferred to another person unless a prior written consent has been obtained from the Client.
