About Us

About Global Visionary Women Network

Global Visionary Women Network (GVWN) is a unique global network, and the first of its kind ever set up in Liverpool/UK, with a global perspective and vision, to foster and encourage global female empowerment, leadership, and transformation, through the provision of a global platform for national and international collaborations, knowledge exchange and investment opportunities.

The vision of GVWN is to unite visionary women from all walks of life and nations to educate and empower the ordinary girl child and woman into extraordinary citizens and leaders of purpose, and it affiliated to award winning life transforming social enterprise, Voice of Nations (VON), with thousands of members, and community groups.

The Network will host annual global conventions (GC) and National Leadership summits, providing members, visionaries, entrepreneurs, businesses and sponsors with the unique opportunity to connect, collaborate, share good practices and promote/expand their services/products and businesses to potential local and global stakeholders/partners.

Visionary Women Network

Our Mission

- Unleash the authentic identity and purpose of every female worldwide.
- Become an exceptional role model, ambassador, and advocate for gender equality, social justice, and inclusion.
- Influence and transform policies and laws that affect the female child, to include and support them in triumph into leadership positions.
- Organize strategic national and international workshops, seminars, and conferences/summits and conventions designed to share good practices/knowledge and educate.
- Empower, and mentor young girls and women to fulfil their maximum potential.
