Glowflare Horror Film Festival Brings a weekend of Scares to Beverley in May

Horror descends on East Yorkshire this spring as the Glowflare Horror Film Festival takes over Parkway Cinemas, Beverley for a weekend of chilling stories, dark imagination, and genre-defying thrills. Taking place on Saturday 17th and Sunday 18th May 2025, the two-day celebration will showcase over 40 short and feature-length horror films from across the UK and around the world.

From unnerving psychological thrillers to blood-soaked creature features, the festival brings together fresh talent and established filmmakers for a uniquely immersive horror experience. Alongside screenings, audiences can look forward to filmmaker Q&As, special presentations, and plenty of eerie atmosphere that celebrates the full spectrum of horror.
