Welcome to Googu Import Export –

The company was founded by Mr. Muhammad Saleem and it is located in Damme – Germany. We are proud to declare ourselves, leading in research and producing safety work gloves, textile products, apparel (garments, sportswear), towels, and many other products. Our quality and safety products include hand protection Gloves (Cotton Gloves, String Knit Gloves, Latex Dipped Gloves, Nitrile Dipped Gloves, PVC Dipped Gloves, PVC Dotted Gloves, and many more).

Our commitment to our customers doesn't stop when the goods are delivered. We maintain personal contact through trade shows, exhibits, and a large sales force. Our safety gloves are tested against all applicable "CE" Standards. We work closely with you to determine which item best meets the needs of each application.

On behalf of our whole team. I would like to thank all of our customers for their support and extend our commitment to continue products and services excellence for the future.

Kind Regards,

Mr. Muhammad Saleem
Founder of Googu Import Export
