DESCRIPTION:

UK Cycling Events Ltd organise up to 50 amateur **non-competitive** cycling events in the UK. These events support amateur cyclists by selecting low traffic, interesting and scenic routes which can be cycled at various lengths to suit all abilities.

UK Cycling Events provides a support infrastructure for these events including:

ROUTES:

- Organisation
- Food and Water stations
- Breakdown assistance
- Route marking and monitoring
- General First Aid at food and drink stations as well as support vehicles

The aim of the event is to provide an environment for cyclists of all ages to have a safe and enjoyable cycle ride.

CONTACT INFORMATION:

COMPANY: UK Cycling Events

OFFICE CONTACT: 01425 653372

EMAIL: enquiries@ukcyclingevents.co.uk

WEBSITE: Dallagio RugbyWorks Track Fest

EVENT MANAGER:

The Event Manager will be responsible on behalf of UK Cycling Events for all aspects of the organisation and smooth running of the event, including the administration of the Health & Safety policy and Emergency procedure.

One event co-ordinator will be positioned at all times at the event base and will have adequate means of bespoke communication with all the event staff, food and water stations as well as the mobile support vehicles.

VENUE DETAILS:

ADMINISTRATION:

Event registration will be conducted at the venue

TOILETS:

Male and Female Toilets will be available at the Event Centre and each feed stop along the route

START PROCEDURE:

Riders will be started in small groups. These small groups will be spread out to avoid large bunches of riders on the roads. Due to the varying ability of riders, this will ensure the field of riders will be spread out, so bunches and large groups will not occur.

EVENT HEALTH & SAFETY POLICY

To provide a safe environment for amateur cyclists to enjoy the cycling event:

- The participants will all be required to sign and agree with the UK Cycling Events terms and conditions. These are provided on the day and on the website, http://www.ukcyclingevents.co.uk/terms/
- Pre-event information packs will be sent to all riders including what to expect on the day, course signage and essential items to bring for the event.
- The cyclists should be reminded of their personal responsibility to ensure their own Health & Safety on registration.
- The cyclists must be reminded that the event is a sportive and <u>not</u> a race and anybody deemed racing will be banned from the event.
- Cyclists should be reminded to take enough food and water for the duration of the event.
- Cyclists will be advised of the route and the event emergency contact numbers which are printed on course maps and located on all front bike numbers.
- The event organisers will provide support vehicles to aid breakdown, retirements, medical assistance and to provide up to date event information to the event coordinator to ensure monitoring of the event routes, cyclists progress and route conditions.
- The event organisation will provide food and water stations at appropriate distances to supplement cyclists' provisions, ensure on route support and guidance, as well as monitoring progress of the event.
- The food and water stations, at village halls or equivalent, will have available general First Aid support as well as communication to the event co-ordination and support vehicles.
- All core members of staff are first aid trained and first aid kits will be located at the event centre, at each feedstation, marshal points and in every support vehicle.
- Qualified Moto Paramedics will be based at the event centre in the morning and then
 roam the course. They will stay onsite until the last rider returns. We have a minimum
 of two medics per event, but this increases with number of riders and remote
 courses. They carry all their own equipment.
- Emergency contact numbers go through to the event manager at the event centre who will co-ordinate the medical or mechanical teams' movements.
- A mix of static, roaming and moto marshals will be used (see marshal section for more information).
- An emergency plan document has been circulated to all staff and will be located at the event centre.

All cyclists are to report to event administration prior and post event. Each cyclist will be given a unique number, so their progress may be checked, and the cyclist identified.

Cyclists will be released on to the route in a maximum group size of 20 with a gap of 1-2 minutes between groups. The start and road entry will be marshalled to ensure full safety on entering the route. (Any cyclist not complying with the event start procedure will be asked to leave the event).

WEATHER CONDITIONS:

- Pre-event checks: weather checks including extreme weather checks will be conducted using the Met office in the week lead up the event. The Event will be cancelled if the predicted weather conditions are too severe to conduct the event i.e. flooding.
- Monitoring of event day: The weather will be monitored on the event day and we
 have the option to cancel the event on the day and have 3 feed stations/ check points
 at which we can advise riders and arrange for safe transportation back to the Event
 Centre.

MARSHALS

- Parking marshals in high visibility vests will be used at the Event Centre. Marshals will also man the three feed stations on the route to aid riders.
- Feed Station marshals will provide food and drink, emergency spares and first aid.
- Route marshals, including roaming and moto marshals, will also be placed at specific points to warn riders of a potential hazard on the course such as a steep descent, busy junction and uneven surfaces.
- All marshals are provided with high visibility clothing and asked to fill in an incident log book while on duty as a marshal (see below).
- Marshals are informed that they are not there to direct or stop motor traffic.

UK CYCLING EVENTS TERMS AND CONDITIONS

The Terms and Conditions detailed below apply to all riders participating, in any event, organised and operated by UK Cycling Events Ltd. Completion of an Event Registration Form or purchase of an entry by (or on behalf of) the rider ("you") acknowledges acceptance of these Terms and Conditions.

GENERAL TERMS AND CONDITIONS

Format

1. You accept that the event you are entering is not a race in any format. Results will be published for individuals only and anyone considered to be competing against others will be stopped from riding and banned from entering future events.

Conduct

2. You are fully responsible for your actions whilst attending the event. This includes the event centre and during the ride itself. UK Cycling Events Ltd, TI Media Limited and Rather Be Cycling* (together, "we") do not accept responsibility for your actions nor their consequences.

Age Requirement

- 3. The Event Registration Form or purchase of an entry to an event must be completed by a person aged 18 years or over. Evidence of age must be provided on request.
- 4. Riders under the age of 18 will be allowed to participate in the event with the consent of their parent or legal guardian who must sign the Event Registration Form or purchase an entry on the rider's behalf. By signing the Event Registration Form or purchasing an entry on the rider's behalf, you accept responsibility for the actions and consequences of the underage rider. Under 16's need to be accompanied by an adult who is responsible for them at all times.

Equipment

- 5. You must wear a safety-approved cycling helmet complying with latest EN1078, ANSI Z90/4 or SNELL standards during your participation in the event. Any rider not wearing a helmet will not be covered by the event insurance and will be disqualified from the event and could be liable for damages if involved in an accident on that basis. You must accept this as a condition of entry.
- 6. You confirm that the cycle/bike you are riding for the event and all of your equipment is of a suitable standard and state of trail/roadworthiness, in particular, the ability to complete the longest distance and over rough terrain, dependant on the event.
- 7. If you wish to use an e-bike at one of our events, it must be fully compliant with UK law e.g. no "chipped" or overpowered e-bikes. These are considered illegal in the UK and are not allowed at our events.
- 8. As organisers, we are duty bound to prioritise our resources to deal with genuine first-aid and mechanical issues. Flat e-bike batteries mid-ride are **not** considered genuine mechanical issues, rather the predictable outcome of poor planning. Riders with flat e-bike batteries are requested to make their own way to the nearest event Feed Station or Splash & Dash. It should be noted that we may have to wait until the event is finished and/or there are spare resources to facilitate a pick up from these locations. It is therefore suggested that e-bike riders are (1) familiar with their bike's battery range, and (2) either carry a charged spare battery with them or stash a spare battery at a suitable point on the route in advance.
- 9. E-bike riders agree to ride legally, appropriately and considerately at all times.

10. We reserve the right to refuse entry to the event to anyone with inappropriate equipment or clothing.

Routes

- 11. Upon signing the Event Registration Form or purchasing an entry, you agree that you are physically and mentally capable of riding the distance you have chosen. If during the event you decide to change the route or distance, you do so at your own risk.
- 12. During the event, there will be warning signs at appropriate points on the trails or roads. The absence of these signs does not signal that there are no dangers approaching and it is your responsibility to make a decision regarding whether to ride a section or not. The marking of the route does not necessarily indicate that the trail or road is rideable and you are deemed to make your own decision about whether to proceed on bike, foot or not at all.
- 13. Any marked route is shown for guidance only and we do not insist that you use the route shown. If you choose to ride a section, it is entirely your own choice. If you choose a different route to avoid obstacles or sections you decide are beyond your capabilities, you do so entirely at your own risk.
- 14. We reserve the right to shorten or alter the published route at any time. You do not have the right to claim a refund if the route is shortened or altered.
- 15. If you fail to complete the course for any reason, you agree to return to or call the event centre before the close of the event and report to a member of staff. Not doing so will mean that a search may be organised and the subsequent cost will be billed to you.

Rules

- 16. You are requested to ride in single file where appropriate and no more than 2 abreast at any time. Please be aware of your fellow cyclists, other road users, and any other traffic and always indicate your intention to stop or change direction.
- 17. You must adhere to and obey the Highway Code, local bylaws and the laws of England, Scotland, Wales and N. Ireland or other country in which the event is taking place as applicable and extend all reasonable courtesy to other road and off-road users.
- 18. You must be considerate to other users of bridleways, tracks, byways and public ways when riding off-road. Upon seeing other users, such as horse riders, walkers, farm traffic, and other cyclists, you are required to slow down and pass with care. Where appropriate, you should stop and wait at the side of the route for other users to pass safely.
- 19. You must not drop or leave any litter on any part of the route but dispose of it responsibly at an appropriate place or bin. Any rider found littering will be disqualified from the event.
- 20. You are expected to respect the roads, villages and countryside that the events travel through. It should be remembered that this is both a working landscape and home to many communities. If you stop for a comfort break you are asked to do so discretely and appropriately and not to cause any offence to local residents or other riders.
- 21. In the case of Mountain Bike and Cyclocross events, you are expected to close all gates after you pass unless otherwise instructed. You must not leave a gate open for a rider following behind. Gates should be opened and closed and not vaulted. Any rider causing damage to a gate will be liable for any costs to repair said damage.

Accidents

22. You will be fully responsible for any fees or costs incurred or arising from an accident either involving or caused by you. This includes, but is not exclusive to, fees from Police, Air

Ambulance, Fire and Rescue and the Ambulance service. If the situation arises that you are not capable of making the decision to call the emergency services, you agree that a member of our Team or a member of the public may call on your behalf. In this situation, you still accept the costs and consequences of such actions.

23. You accept full responsibility for any fees or costs incurred or arising from the need for repatriation.

Insurance

- 24. Participation in the event is at your own risk.
- 25. Third party insurance cover is provided for all riders during the event, covering claims resulting from accidental damage to third party property. This insurance cover is adjudged void if it is deemed the rider has acted negligently. No further insurance cover is provided by us for riders participating in an event.
- 26. We strongly recommend each rider organises their own personal insurance cover.
- 27. It is a condition of entry for events outside of the United Kingdom that you have purchased a suitable level of travel insurance to cover the potential activity and liability involved.

Recordings

29. By participating in the event, you confirm and agree that we and third parties authorised by us may record you via photographs, film, audio, audio-visual or other recordings, still or moving, during the event ("**Recordings**"). We shall own all rights in such recordings and you hereby (i) assign to us any and all present and future copyright, performance rights and any other right, title and interest in and to the Recordings and you hereby waive the benefit of any law known as "moral rights"; (ii) agree that we may use the Recordings for any purpose at our sole discretion including in any marketing and/or publicity materials, and on any website and social media; and (iii) agree that the Recordings may be altered, edited and/or modified (e.g. combined with other images, text, graphics and/or sound). You hereby release us from any and all liability from such use and promotion and specifically waive any right to any compensation you may have for appearing in any of the Recordings.

Cancellations

- 30. Event entry fees cannot be refunded or transferred under any circumstances.
- 31. We reserve the right to cancel any event due to extreme weather conditions. Your entry will be automatically moved to the rescheduled event. If you can't make the rescheduled event, you can carry your entry to another event of an equal or lower ticket value within the 6 months following the rescheduled event. No refunds will be issued.

Promotions

32. In the case of competition entries or giveaways, the winner agrees to the use of his or her name, photograph and disclosure of county of residence and will co-operate with any other reasonable requests from us relating to any post-winning publicity.

Your Personal Information

33. We will only use your personal information as set out in our Privacy Policy.

Applicable Law

34. If you want to take court proceedings, the relevant courts of the part of the United Kingdom in which you live will have non-exclusive jurisdiction in relation to this contract. The laws of England and Wales will apply to this contract.
