GREEN 2 MARKET

WHO WE ARE:

The company Green 2 Market, headquartered in Meppen (DE), with the holding company in Denmark (Copenhagen) and offices in Spain (Madrid) and Portugal (Porto and Lisbon), is one of the leading project specialists in the field of renewable energy, with a focus on photovoltaics in Europe. We develop, build and operate projects for well-known investment partners and on our own books. With more than 30 years of experience in the market and an excellent order volume, which already secures our employment until well into 2022, we are well prepared for expansion.

This expansion is to be developed by the right team players with competence and to be established together with our subsidiaries increasingly also on the German market.

Innovative ideas, customer-specific solutions, also own project and product developments, as well as the high market and customer orientation have made us a strongly growing company in the industry. This gives us the confidence to successfully implement new topics such as GRÜNSTROM and GRÜNGAS marketing, or hydrogen technology and solar projects in Germany.

With our high-performance team, we look forward to new challenges and exciting tasks in this forward-looking market.

The picture shows one of the largest PV plants in Portugal with a capacity of 66,000 KWp, which is built and operated by us.
