

RESEARCH AND INNOVATION BUREAU

DANISH COMPANIES IN
HORIZON 2020

Danish companies in Horizon 2020

Based on data published by the European Commission on 12. November 2017 it shows that a total 295 Danish companies have participated in Horizon 2020. They have received a total funding of 152 million EUR in a total of 437 project participations.

Figure 1 shows the Danish companies, who have received the most in direct EU contribution in Horizon 2020 so far. These 10 companies account for 28% of the EU contribution to Danish companies.

Figure 1: Top 10 EU contribution to Danish businesses

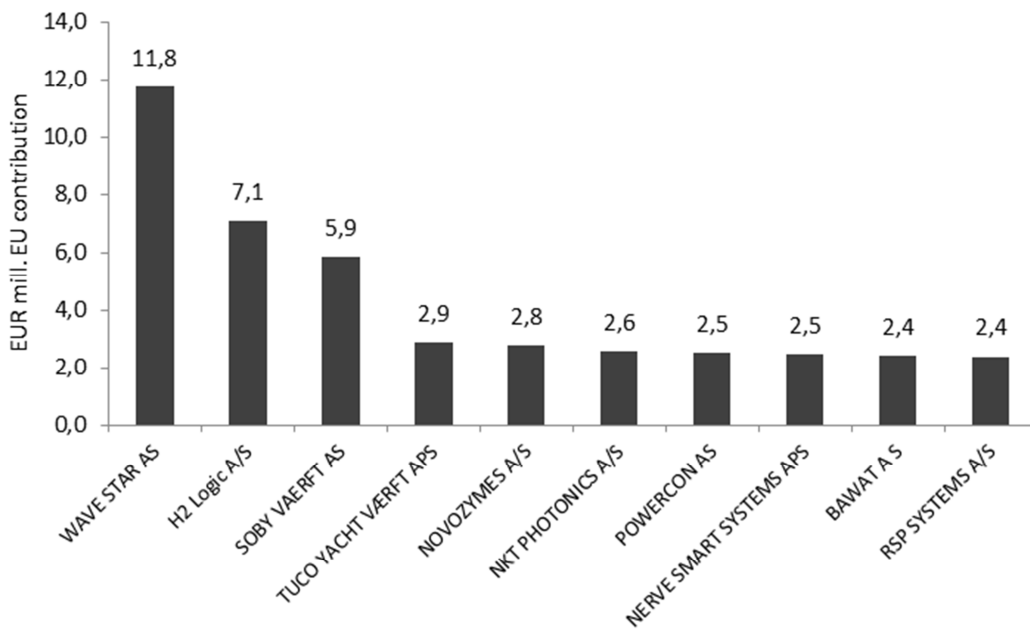

Table 1 gives a comprehensive overview of Danish company's participation and EU contribution.

Table 1: Danish business participation in Horizon 2020 ranked by EU contribution

Rank	Name	Participations	EU contribution (EUR)
1	WAVE STAR AS	1	11775225
