Annual Disclosure of Outside Interests

Name: Guntram B. Wolff

Period covered: January-December 2016

Note: this disclosure form established following the adoption by Bruegel of its public Statement on Research Integrity, on 3 May 2006. The nature of each commitment shall be clearly described, as well as its financial impact, if any.

Academic Commitments

- Member of Solvay Brussels School's international advisory board of the Brussels Free University (unpaid).
- Member of international advisory board of Corvinus University's European Studies and Education Center (unpaid).

Political Commitments

- None

National Commitments

- Non-active member of "Arbeitskreis Finanzwissenschaften" of German Finance Ministry. This is a non-partisan group of academics (inactive and unpaid).

Business / Commercial Commitments

- Member of MasterCard global academic panel (fellow), which meets twice a year with senior MasterCard management to discuss the global economy in an informal way (unpaid, flights and hotel covered by MasterCard).
- I occasionally receive small gifts (bottle of wine etc.). Their total value per year does not exceed 1% of my salary.

Other Commitments (e.g. participation in other think tanks or international committees)

- Since November 2012, member of the French PM's Council of Economic Analysis. This is a non-partisan advisory council whose members take part in meetings and prepare reports under their own responsibility (unpaid).
- Member of the World Economic Forum Global Agenda Council (inactive and unpaid).

Date: February 2017

Signed:
