

REFERANCE LIST

2022	Ørsted Energy EU & UK Subsea Inspection framework agreement Drilling Core Sampling Multi Beam 3D and Side Scan Survey
2022	Vattenfall Environment sampling
2021	Ørsted EU & UK Subsea inspection framework agreement CPS Inspection and Repair
2021	Ørsted Energy UK Subsea inspection framework agreement 2 Ørsted UK windfarm assets
2021	Ørsted Energy UK Dropped Object ROV and Survey
2021	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2020	Boskalis Offshore Energy CPS repair- Cable installation assistance Triton Knoll
2020	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2020	Ørsted EU Subsea inspection framework agreement 4 Ørsted EU windfarm assets IMR
2020	Ørsted Energy UK Subsea inspection framework agreement 6 Ørsted UK windfarm assets IMR

2020	Boskalis Offshore Energy CPS repair Vattenfall Horns Rev 3
2019	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2019	Boskalis Offshore Energy CPS repair Vattenfall Horns Rev 3
2019	Trianel DE Trianel Windkraftwerk Borkum IMR
2019	Ørsted EU Subsea inspection framework agreement 4 Ørsted EU windfarm assets IMR
2019	Ørsted Energy UK Subsea inspection framework agreement 4 Ørsted UK windfarm assets IMR

2019	PKE DE Multi Beam and Side Scan Cable Route Survey Wikinger Wind Farm
2019	AtSite Bard 1 windfarm HBC Achiever Mothership for Drone inspection
2019	Norsea Wind HBC Tender Crew vessel for Sprogø Windfarm
2018	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2018	Ørsted EU Subsea inspection framework agreement 4 Ørsted EU windfarm assets IMR
2018	Ørsted Energy UK Subsea inspection framework agreement 1 Ørsted UK windfarm assets IMR
2018	PKE DE Multi Beam and Side Scan Cable Route Survey Wikinger Wind Farm
2018	Vattenfall Horns Rev 3 Diving and ROV Works Seabed Debris Clearance
2018	HOFOR Subsea inspection Middel grunden wind farm
2017	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2017	Vattenfall Horns Rev 3 Substation Diving Works Messenger Wire and Cap installation J-Tubes

2017	Vattenfall Horns Rev 3 Substation ROV Inspection J-Tubes
2017	DONG Energy Race Bank Diving and ROV Inspection Export cable
2017	DONG Energy EU Subsea inspection framework agreement 5 DONG EU windfarm assets
2017	DONG Energy UK Subsea inspection framework agreement 6 DONG UK windfarm assets
2017	FUGRO Eon Rampion Offshore windfarm Topside cable installation support services Phase 2
2016	Global Tech 1 Offshore Wind Farm ROV survey and Debris Clearance
2016	DONG Energy Diving and ROV-Debris Clearance of lost equipment Gode Wind 1 & 2
2016	DONG Energy UK Subsea inspection framework agreement All DONG UK windfarm assets
2016	FUGRO Eon Rampion Offshore windfarm Topside cable installation support services Phase 1
2016	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2015	GEO A/S Debris Clearance-salvage of lost equipment Blyth Offshore Demonstration Project

2015	DONG Energy Debris Clearance-salvage of lost equipment Borkum Riffgrund 1 & 2
2015	DONG Energy 3D survey Borkum Riffgrund 2
2015	G-tec Offshore s.a. Debris Clearance Fècamp Windfarm
2015	Briggs Marine Ltd. Export cable repair support Thanet Offshore Windfarm
2015	CT Offshore A/S Diving Assistance Sub Station Debris Clearance WODS Wind Farm
2015	DBB A/S Horns Rev 2 Wind Farm Diving Assistance Met Mast Decommissioning
2015	VBMS DE Butendiek Wind Farm Diving Assistance Cable Installation Cable repair
2015	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2014	Vattenfall UK Kentish Flatt Extension UXO Survey
2014	VBMS DE Butendiek Wind Farm Diving Assistance Cable Installation Cable repair
2014	DONG Energy Power Anholt Wind Farm Foundation and J-tube Inspection

2014	DONG Energy Power Borkum Riffgrund Suction Bucket Jacket Restore sea bed around the buckets
2014	Visser & Smit Marine Contracting DE Butendiek Wind Farm Diving Assistance Cable Installation Tekmar repair
2014	DONG Energy Power West of Duddon Sands Export cable inspection
2014	CT Offshore A/S Diving Assistance Cable Installation WODS Wind Farm
2014	DONG Energy Power Gunfleet Sands Windfarm Inspection of Substation, Foundations and Cables
2014	CT Offshore A/S Diving Assistance Cable Installation Gwynt y Mor Wind Farm
2014	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2013	DONG Energy Power Gunfleet Sands Windfarm Inspection of Substation, Foundations and Cables
2013	Visser & Smit Marine Contracting Ltd London Array Wind Farm Diving Assistance Cable Installation General J-Tube and Cable Inspection
2013	Dong Energy Power A/S Walney 2 Wind Farm Anode Bracelet Fabrication and Installation
2013	BOWind Ltd Diving Assistance Cable Repair Barrow Wind Farm

2013	CT Offshore A/S Diving Assistance Cable Repair Walney 2 Wind Farm
2013	Visser & Smit Marine Contracting BE Anholt Wind Farm Tekmar Repair
2013	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2013	Visser & Smit Marine Contracting Ltd London Array Wind Farm Diving Assistance Cable Installation
2012	Visser & Smit Marine Contracting Ltd London Array Wind Farm Diving Assistance Cable Installation
2012	Dong Energy Power A/S Anholt Wind Farm Foundation & Scour Inspection Cable Trenching
2012	MTH A/S Anholt Wind Farm Diving Assistance Foundation Installation Pile cleaning Ad Hoc Diving Tasks Messenger Wire Installation
2012	Visser & Smit Marine Contracting BE Anholt Wind Farm Diving Assistance Cable Installation
2012	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2012	Dong Energy Power A/S Walney 2 Wind Farm Pile cleaning Foundation & Scour Inspection. Cable Trenching
2011	Visser & Smit Marine Contracting Ltd

	Walney 2 Wind Farm and Ormond Wind Farm Diving Assistance Cable Installation
2011	Dong Energy Power A/S Walney 1 Wind Farm Foundation & Scour Inspection
2011	Dong Energy Power A/S Walney 1 Wind Farm Blade Salvage Operation
2011	Visser & Smit Marine Contracting Ltd Walney 1 Wind Farm Diving Assistance Cable Installation
2011	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2010	Visser & Smit Marine Contracting Ltd Walney 1 Wind Farm Diving Assistance Cable Installation
2010	PM Rederi A/S Robin Rig Wind Farm Spudleg Recovery
2010	Dong Energy Power A/S Walney 1 Wind Farm Foundation & Scour Inspection J-Tube, Brattberg Seal & Bell Mouth Installation Ad Hoc Diving Tasks
2010	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2009	Mærsk Olie & Gas A/S Offshore representative Halfdan Northeast Phase 3 Pipe Line Pressure Testing.
2009	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2009	Dong Energy A/S Horns Rev 2 Wind Farm Foundation & Scour Inspection J-Tube Inspection & clearance

	Cable Survey General Service Vessel Ad-HOC
2008	Energi Net A/S Horns Rev2 Wind Farm Transformer Jacket Installation Diving Support
2008	Aarsleff / Bilfinger Berger JV. Horns Rev 2 Wind Farm J Tube & Flex Pipe Installation Various Inspection works
2008	Maersk Contractors Norway Offshore representative PSFO Sub Sea Hose Replacement.
2008	Mærsk Olie & Gas A/S Offshore representative Halfdan Northeast Phase 3 Pipe Line Pressure Testing.
2008	Mærsk Olie & Gas A/S Offshore representative Halfdan Northeast Phase 3 Riser, Spool piece and Power Cable Installation.
2008	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2007	Q7 Windpark BV Offshore Access System Removal.
2007	Mærsk Olie & Gas A/S Offshore representative Halfdan Northeast Phase 3 Riser, Spool piece and Power Cable Installation.
2007	Mærsk Olie & Gas A/S Offshore representative Halfdan Northeast Phase 3 HCA template installation and Levelling of seabed.

2007	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2007	Vattenfall AB Lillgrund Power Plant. Offshore representative Gravity Foundation, Sub Station and Power Cable installation
2006	Vattenfall AB Lillgrund Power Plant. Offshore representative Gravity Foundation installation
2006	Vestas-KBR JV Ltd Barrow Wind Farm Cable Survey and Burial
2006	Vestas-KBR JV Ltd Barrow Wind Farm Foundation Repair.
2006	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2005	Vestas-KBR JV Ltd Barrow Wind Farm Foundation Repair.
2005	Vestas-Celtic Wind Technology Ltd North Hoyle Wind Farm Cable Survey and Trenching.
2005	Mærsk Olie & Gas A/S Offshore representative Valdemar B. Development Project. Pipeline, Power Cable and Scour protection Installation
2005	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2004	NEG Micon UK Ltd Kentish Flats Wind Farm Diving and Safety coordination

	J-Tube Installation Superintendent.
2004	Vestas-Celtic Wind Technology Ltd North Hoyle Wind Farm. J-Tube Repair.
2004	Vestas-Celtic Wind Technology Ltd North Hoyle Wind Farm Cable Trenching. Scour and Mechanical Protection Installation.
2004	Vestas-Celtic Wind Technology Ltd North Hoyle Wind Farm Foundation Anode Repair.
2004	Vestas-Celtic Wind Technology Ltd North Hoyle Wind Farm Sea bed, Scour and Cable Survey.
2004	Mærsk Olie & Gas A/S Offshore representative Halfdan Export Line Project. Riser Installation Dutch Sector.
2004	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2003	Vestas-Celtic Wind Technology Ltd North Hoyle Wind Farm Boat Landing and J-Tube Installation.
2003	Vestas-Celtic Wind Technology Ltd North Hoyle Wind Farm Generator Installation.
2003	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2003	Mærsk Olie & Gas A/S Offshore representative Halfdan Project Sub Sea Tie-In Installation.
2002	ELSAM A/S Foundation - J-Tube and Scour Survey Horns Rev Wind Farm
2002	Mærsk Contractors A/S Spudcan repair Mærsk Endeavour
2002	ELSAM A/S

	Diving and Safety coordination Horns Rev Wind Farm.
2002	Mærsk Olie & Gas A/S Offshore representative Halfdan BA pipeline and Riser installation.
2002	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2002	Mærsk Olie & Gas A/S Offshore representative Flange repair.
2001	Mærsk Olie & Gas A/S Offshore representative Halfdan pipeline Trenching.
2001	Mærsk Olie & Gas A/S Offshore representative Tyra East pipeline and Riser installation.
2001	Rigshospitalet. Copenhagen University Hospital Hyperbaric Treatment Facility Management.
2001	Mærsk Olie & Gas A/S Offshore representative Halfdan pipeline and Riser installation
2001	Mærsk Olie & Gas A/S Offshore representative Rig Entry survey.
2001	Mærsk Olie & Gas A/S Offshore representative Tyra West Field Grouting Re-Enforcement Project
2001	Mærsk Olie & Gas A/S Offshore representative Conductor Recovery
2001	Mærsk Olie & Gas A/S Offshore representative Dan Field Grouting Re-Enforcement Project

2000	Mærsk Olie & Gas A/S Offshore representative Dan Field Grouting Re-Enforcement Project
2000	Mærsk Olie & Gas A/S Offshore representative Halfdan pipeline and Riser installation
2000	Rigshospitalet Feasibility study for ISO certification. of HBO treatment center.
2000	Maersk Contractors NDT Inspection of Spudcan, Cord welds and cofferdam installation on “Maersk Guardian”
2000	Amerada Hess A/S SAL (Single Anchor Loading) System improment.
2000	Development of Self Contained Deep Diving System
2000	Amerada Hess A/S SAL (Single Anchor Loading) Repair.
2000	NKT Cables A/S Diving assistance for cable laying (Offshore Wind Farm Park)
2000	Mærsk Olie & Gas A/S Offshore representative Halfdan Field Development. Rig Entry survey.
1999	NFM Framatome Compressed Air Design Tunnel Bore Machine
1999	Amerada Hess A/S Offshore representative,” South Arne Field Development” Pile Guide, Vertical Drain Installation
1999	Rigshospitalet Technical support, Hyperbaric Medical Chamber. Implemented planned maintenance program to the HBO treatment center.
1999	Mærsk Olie & Gas A/S Offshore representative Halfdan Field Development. Pipeline and Riser installation

1999	Amerada Hess A/S Offshore representative, “ South Arne Field Development” Flooding & Gauging Operation
1999	The Comet Group Compressed Air Management.
1999	Amerada Hess A/S Offshore representative “ South Arne field development” Installation of GBS Gravity Base Structure.
1999	Dangas Offshore representative / Project management. Pipeline repair and inspection.
1999	Maersk Contractors NDT Inspection of Spudcan and Cord welds on “Maersk Endeavour”
1999	Amerada Hess A/S Offshore representative “ South Arne field development” Installation of SAL offloading system.
1999	Mærsk Olie & Gas A/S Offshore representative Halfdan pipeline and Riser installation
1998	The Comet Group Compressed Air Management.
1998	Mærsk Olie & Gas A/S Offshore representative, “Kraka 6’ Gaslift pipeline Project’
1998	Mærsk Olie & Gas A/S Offshore representative, “Harald Riser Caisson Project’
1998	Rigshospitalet Hyperbaric Facility, Project Management
1997	Rigshospitalet Hyperbaric Facility, Project Management
1997	Mærsk Olie & Gas Mærsk Harald Development Project

Pipe Line Testing, ROV Operation.

- 1997 Øresundskonsortiet
Diving Safety Manager
- 1997 Mærsk Olie & Gas
Offshore representative, "Dan Bundle Installation"
- 1997 The Comet Group
Consultancy, Compressed Air Work.
- 1996 Scandinavian Underwater Contractors Aps.
Project Management, cable burial.
- 1996 Mærsk Olie & Gas
Vessel audit and engineering representative cable crossing.
Harald - Tyra EF 24" pipeline.
- 1996 Rigshospitalet
Hyperbaric Facility. Project Management
- 1996 Mærsk Olie & Gas
Offshore representative, Spool piece wet storage
- 1996 Mærsk Olie & Gas
Mærsk Harald Development Project
Offshore representative, Tie-In.
