# Afghan women concerned about resurgent Taliban

*Women gained equal rights in the 2004 constitution, but nothing is guaranteed.*

8 Mar 2020

Uncertainty surrounding upcoming talks between [Afghanistan's](#) government and the Taliban is raising fears of a collapse of law and order as foreign troops withdraw.

Women's rights groups, in particular, are worried what will happen if the Taliban regains power.

Al Jazeera's Hoda Abdel Hamid reports from Kabul.
