

P-3521 MFP / P-3527w MFP Is a great allrounder.

Do you need a multifunctional system with minimum space requirements? And, do you need a system that makes no demands but still actively supports you in carrying out your tasks by printing, copying and scanning productively and in the best quality? If so, the P-3521 MFP A4 black and white system is exactly what you need! Or, could you do with a little more, standard fax functions and a Wi-Fi interface? And, what about a colour touch panel? In which case, the P-3527w MFP is the better choice! No matter which system you opt for: You will definitely benefit!

What you can expect:

Understandable: A clearly laid out LCD control panel is available on the P-3521 MFP to help you input your jobs. Here, you can save complex, recurring jobs as programs and call them at any time with a simple press of a button. The P-3527w MFP is even more intuitive. It features a colour touch screen that can be individually adapted to the needs and tasks of the respective user. Complex functionality made easy!

Versatile: There are no limits set to productivity at the workplace as both systems can scan up to 40 black and white and 23 colour pages per minute. The systems print at a speed of up to 35 A4 pages per minute and offer the highest quality with a resolution of up to 1,200 x 1,200 dpi. To round off the picture, the systems feature many practical functions such as the automatic Skip blank pages function that filters out blank pages or the ID card copy function that duplicates double-sided, small-format templates on the front side of a single page.

Variable: Mobility is becoming increasingly important in the office. That's why you can also access both MFPs from your mobile end devices via the free Mobile Print app. In addition, the systems also naturally support the Apple AirPrint protocol as well as Google Cloud Print. And, for those who are completely independent, the P-3527w MFP also offers a Wi-Fi interface in addition to an Ethernet port.

Reliable: Good protective measures are needed when working with confidential data. When the 'Private printing' function is used, jobs with confidential content are only triggered on the system once a PIN has been entered. In addition, each user can be assigned their own account via the Management codes function. This creates transparency! However, authentication via a card reader and chip card* is even more practical as then you no longer need to remember your password.

P-3521 MFP / P-3527w MFP

Technical data

General		Environment		Faxsystem (P-3527w MFP only)	
Type	Desktop	Noise level	approx. 47.2 dB(A), stand-by mode: immeasurable (DIN/ISO 7779/9296)	Compatibility	Super G3
Function	<i>P-3521 MFP:</i> Copy, print, scan <i>P-3527w MFP:</i> Copy, print, scan, fax	Safety	GS/TÜV, CE	Original format	max A4
Print technology	Laser b/w	Print system		Modem speed	33.6 kbps
Original format	max A4 from platen glass	Type	Integrated within the system	Transmission speed	3 seconds or less using JBIG
Original feeder	50 sheet A4 (standard, A6R-A4), 50-160 g/m ²	Print format	A6R-A4	Compression method	JBIG, MMR, MR, MH
Copy/print speed	max 35 A4 pages/min, duplex: max 17.5 A4 pages/min	Print resolution	600 x 600 dpi, 1,200 x 1,200 dpi	Fax resolution	Standard (200 x 100 dpi), fine (200 x 200 dpi), super fine (200 x 400 dpi), ultra fine (400 x 400 dpi)
1st page	6.9 seconds (copy)*/ 6.8 seconds (print)*	Processor	Cortex-A9, 800 MHz	Fax memory	3.5 MB image buffer
Warm-up time	<i>P-3521 MFP:</i> 17 seconds <i>P-3527w MFP:</i> 20 seconds	Interfaces	USB 2.0, 10/100/1000BaseTX, USB-Host, SD slot, Wi-Fi (P-3527 w MFP only)	Abbreviated dial	200 numbers
Copy resolution	600 x 600 dpi	Network protocols	TCP/IP, Net BEUI	One touch dial	100 numbers
Greyscales	256	Operating systems	Windows XP, Vista, Windows 7/8/8.1/10, Server 2003/2008 R2/2012 R2, Linux, Mac ex OS 10.5	Group dial	50 numbers
Paper feed	1 x 250 sheet universal cassette (A6R-A4), 100 sheet multi-bypass (A6R-A4 [min 70 x 148 mm, max 216 x 356 mm])	Emulations	PCL6 (PCL 5e, XL), KPDL 3 (PostScript 3 compatible), PRESCRIBE IIe, Line Printer, IBM Proprinter, Epson LQ-850, PDF 1.7, XPS, Open XPS	Operating systems	Windows XP, Vista, Windows 7/8/8.1/10, Server 2003/2008 R2/2012 R2
Paper weights	Universal cassette 60-163 g/m ² , multi-bypass 60-220 g/m ² , duplex 60-163 g/m ²	Functions	USB direct printing, e-mail printing, PDF direct printing, private printing, barcode printing, WSD-/Internet printing, Mobile Print (Android/iOS)/Apple AirPrint, Google Cloud Print, Wi-Fi Direct® (only P-3527w MFP)	Functions	Network fax driver, automatic redialling, delayed transmission
Paper output	150 sheet A4			Options	
System memory	512 MB RAM, max 1,536 MB RAM			Paper feed	max 2 x PF-1100 (250 sheet universal cassettes [DIN A6R-DIN A4, 60-163 g/m ²])
Continuous copying	1-999 copies			Other options	Card authentication kit (B), UG-33 ThinPrint® kit, cabinet no. 78
Zoom	25 %-400 % in steps of 1 %				
Functions	Touch screen (4.3 inch for P-3527w MFP only), duplex, job reservation, job programs, ID card copy, continuous scan, skip blank pages, N-up, quiet mode (half speed mode), 100 Management codes	Scan system			
		Scan type	CIS colour and b/w		
		Scan format	max A4		
		Scan speed	b/w: max 40 A4 originals/min, colour: max 23 A4 originals/min with 300 dpi		
		Scan resolution	200 dpi, 300 dpi, 400 dpi, 600 dpi		
		Scan mode	Photo, text, photo/text, OCR		
		File types	TIFF, JPEG, PDF, high compression PDF, PDF/A-1, XPS		
		Interfaces	10/100/1000BaseTX, USB 2.0		
		Network protocol	TCP/IP		
		Operating systems	Windows XP, Vista, Windows 7/8/8.1/10, Server 2003/2008 R2/2012 R2		
		Functions	Scan to SMB, Scan to e-mail, Scan to FTP, Scan to USB, TWAIN scan, WIA scan, SMTP authentication, LDAP		

*Depending on operating status.

Specifications subject to change without notice.

Image shows machine with optional accessories.

The P-3521 MFP and P-3527w MFP are manufactured in accordance with the requirements of the Energy Star Program.

Dimensions/Weight

Dimensions	437 x 417 x 412 mm (H x W x D)
Weight	approx. 19 kg

Environment

Mains voltage	220/240 V, 50/60 Hz
Power consumption	approx. 982 W max, approx. 661 W in operation, approx. 21 W in stand-by mode, approx. 1 W in sleep mode, TEC value: 1.47 Wh/week

TA Triumph-Adler is the document business expert. We offer our clients individual analysis, consultancy and efficient document workflows – not only on paper, but also electronically and with long-term service. For whenever professional users manage, print, photocopy, fax, present or archive documents, or need to optimise processes, TA Triumph-Adler concepts and solutions are the first choice. Our customers benefit greatly from the user-optimised technologies offered by our innovative systems.
