Drinking Temperature	9 - 11 °C
Bottle Size	750 ml
Vineyard	Graacher Domprobst

### Description

Großes Gewächs - the top of the quality pyramid.

Hand picked and reduced in yield, which guarantees a wine with expression, length and a very good aging potential.

Yellow in color, notes of apricot and peach in the nose. Very expressive and elegant.

A very fresh yet smooth acidity on the palate, a fine citrus fruit and a noble slate spice, very mineral with a lot of power.
