Pre-School Newsletter

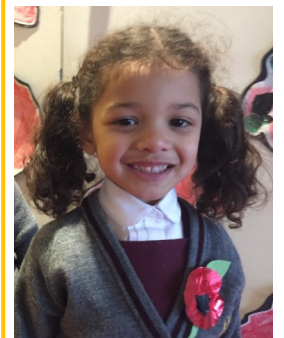

June 2019

Dear Parent/Carer

It is hard to believe that this is our final newsletter of the academic year and we thought we would celebrate some of our highlights with you. Our children have grown, in more ways than one, and have had an amazing year focusing on a variety of topics and taking full advantage of our new outdoor classroom.

As the children move into their last weeks in Early years and Kindergarten, we will begin to start supporting their transition into their new class or school with a range of activities to ensure they feel happy and confident to move onto their next stage of learning. Some feeder schools have contacted us and booked Transition visits and our current Early Years are spending time in Kindergarten. In the meantime if you have any questions, please do not hesitate to speak to us.

Learning Book

You will be able to purchase your child's digital learning journey as a hardback keepsake book. Simply look out for a "Shop" button when you log in to the Parent Portal to order your book.

We would like to take this opportunity to wish all our children all the best in their learning journey, whether it be with us or in another setting.

Sports Day

We are incredibly excited about our forthcoming Sports Day on Wednesday 19th June. The event will start first thing in the morning around 9.00am and will last about an hour so please come along and show your support. We will, as always, be hosting some spectator races so dust off your trainers and prepare to test your pace and agility!

**Holiday club is available from
Friday 5th July—Tuesday 3rd
September**

Wednesday 4th September

Staff INSET DAY

Thursday 5th September

Autumn Term begins

Thursday 12th September

Kindergarten Parent Meeting

30 Hours Provision from September

If you have not already done so, we recommend looking at the government's www.childcarechoices.gov.uk website.

Please have a look if you think you may qualify for 30 hours provision. We understand that eligibility codes are now being issued and we can confirm your child's place with this code.

Progress Reports

Towards the end of term, each child will receive a progress report. This will outline how your child has been getting on in the setting, their strengths, and any next steps that they need to work on. There will also be an opportunity for you to discuss these reports with staff if you have any concerns or questions.
