Countdown to Christmas

As we move into December, I am sure the thoughts of many of you will turn towards the upcoming holiday season. In School, our celebrations begin with our **Festive Jumper Day**, which takes place this year on Friday 6th December. In exchange for items for our Chocolate Tombola and Bottle Tombola stalls at the Christmas Fair, the pupils are able to wear a festive themed jumper for the day.

A reminder that our **Christmas Fair & Celebration** is now taking place on **Tuesday 10th December**. The fair begins at 5.00pm and hot refreshments will be available along with Christmas Stalls, sweet treats, games and the aforementioned Tombolas.

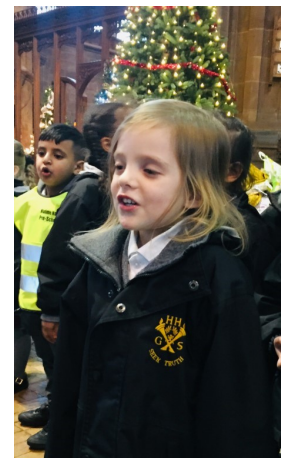

Complimentary mulled wine and mince pies will be on offer in the Main Hall from 6.30pm and the **Celebration** itself begins at 7.00pm. In order to plan catering for this event, please request your free tickets from the Main School Office.

Following another successful year of charitable fundraising in which we raised over £1,700 for our chosen charities, Tommy's and Wings, I am delighted to announce that for the next 12 months we will be raising money for locally based charity, The Wellspring. As I am sure you are all aware, this is a resource centre for homeless and disadvantaged people in the area and was chosen by the members of our Student Council.

We look forward to supporting the work of The Wellspring in the coming year. Our Charity Raffle prior to the musical celebration on Tuesday 10th December will be the first opportunity to raise money and we would be grateful of any prizes you are able to donate towards this raffle.

Mr Dean Grierson,
Headmaster

Feeling Festive

Our Pre-School children enchanted visitors to the St George's Christmas Tree Festival yesterday when they sang some festive tunes.

If you are looking for something to do this weekend, why not go along to our local church to see the Pre-School tree?

Important Information

For your information, term dates for the academic year 2020-21 will be emailed to parents/carers today.

With the winter months approaching, we are also emailing a copy of our School Closure Policy. Although I hope we will not have to use it, I would ask that you remind yourself of the procedure, which is also available on the policies section of the school website.

Year 7 used convection as a heat transfer method to make rock buns this week!
